INTRODUCTION

AFC PRESIDENT'S MESSAGE

Dear friends,

On behalf of the Asian Football Confederation (AFC), it gives me great pleasure to welcome everyone to the AFC Champions League 2022™ Media Guide as we look forward to delivering yet another captivating edition of the Continent's premier club competition.

Congratulations to Al Hilal SFC of Saudi Arabia for confirming their place as the most decorated side in the tournament's history with four Continental club crowns and credit must also go to FC Pohang Steelers, who produced several captivating moments in their journey to the AFC Champions League 2021™ Final.

There was no denying the challenges faced as the pandemic continued to rage throughout the Continent but few moments in 2021 were better able to capture the resilience and determination of the Asian football family than the jubilant scenes witnessed at the King Fahd International Stadium in Riyadh during the Final.

In the presence of over 50,000 passionate fans, the AFC, together with its Member Associations and clubs, demonstrated to the world that Asian football was ready to return, and so much of our success is a tribute to all of you – members of the media who continued to capture the key moments of Asia's brightest talents.

So, on behalf of the Asian football family, let me convey our gratitude to all of you as well as our commercial partners and broadcasters for their patience and steadfast belief in the AFC Champions League™.

And it is through the same faith and unity that we usher the 2022 season with the confidence of staging yet another successful AFC Champions League™, which once again will be held in centralised venues as the health and safety of all our players, teams, officials and stakeholders continue to remain at the forefront of our efforts.

The coming months will see Asia take centrestage in world football and for only the second time in history, the FIFA World Cup will return to our great Continent in Qatar in November 2022.

As part of efforts to ensure our players and teams are provided with the best possible conditions to shine in both the global showpiece and the AFC Champions League 2022™, the Knockout Stage in the West and the coveted Final, which will also welcome the return of the two-legged format, have been moved to February 2023.

Since the expansion of the tournament last year, we have also seen some remarkable performances by our debutants. This year, we can expect more surprises from our newcomers as the tournament continues to reach new territories and I look to your continued support in uncovering the unscripted drama and excitement for the benefit of Asia's passionate fans.

And that journey begins right here with this specially curated media guide, which has been designed to ensure you have an insightful reference to strengthen the stature and narrative of one of the most admired Continental club competitions in world football.

At the same time, the AFC remains resolute in setting new benchmarks of excellence in all areas, including ensuring the best possible environment for the media, through top-level media facilities and by offering our assistance with dedicated media officers.

I look forward to a productive working relationship again this season and thank you for your ongoing support and interest in Asian football.

SHAIKH SALMAN BIN EBRAHIM AL KHALIFA
President, Asian Football Confederation

COMPETITION FORMAT

The AFC Champions League 2022 is composed of the following stages:

1. Preliminary and Playoff Stage

- Consisting of fourteen Clubs vying for seven slots in the Group Stage of the AFC Champions League.
  - Six Clubs competing for three slots in the West Region.
  - Eight Clubs competing for four slots in the East Region.
  - The Preliminary Stage and Playoff Stage are both played using a single match knock-out system.
- If the score is tied after 90 minutes, extra time of 30 minutes is played. If the score is still tied after extra time, penalty kicks shall determine the winner.

2. Group Stage

- The Group Stage consists of 40 Clubs divided into ten groups of four.
- The Clubs will play two matches against each other within their group in a Centralised format, receiving three points for a win, one point for a draw and zero points for a defeat.
- Teams are ranked according to the points they obtain. The winner of each Group and three best runners-up from each Region will advance to the Round of 16 of the Knockout Stage.
- If two or more Participating Clubs are equal on points, the following criteria are applied to determine the ranking (in descending order):

Head-to-Head Criteria

a) higher number of points obtained in the group Matches played among the Participating Clubs in question;
b) superior goal difference from the group Matches played among the Participating Clubs in question; or
c) higher number of goals scored in the group Matches played among the Participating Clubs in question.

Tiebreaker

If, after having applied the Head-to-Head criteria, two or more Participating Clubs still have an equal ranking, the Head-to-Head criteria shall be reapplied exclusively to the Matches between the Participating Clubs in question to determine their final rankings. If this procedure does not lead to a decision, the Group Results Criteria shall apply.

Group Results Criteria

a) superior goal difference from all group Matches played;
b) higher number of goals scored from all group Matches played;
c) kicks from the Penalty Mark if only two Participating Clubs still have an equal ranking and have played their last group Match against each other;
d) the lower score calculated according to the number of yellow and red cards received in the group Matches (Appendix 1 of the Manual); or
e) the Participating Club from the Member Association with the higher AFC Club Competitions Ranking.

3. Knockout Stage (Round of 16, Quarter-finals, Semi-finals and Finals)

The Knockout Stage shall consist of the Round of 16, Quarter-finals, Semi-finals, and Finals. In accordance with the Match Schedule, the Round of 16, Quarter-finals and Semi-finals shall be played in a single-leg knockout format at a centralised venue for each Region, whereas the Finals shall be played in a home and away format.

The Participating Clubs shall be drawn to play against other Participating Clubs within the same region in the Round of 16, Quarter-finals, and Semi-finals. The hosts for these Matches shall be determined during the official draw for the relevant stages of the Competition.

The sequence of hosting the two-legged Finals is determined on a rotation basis between the East Region and West Region (i.e., in even years the first leg Match shall be hosted in the West Region by the finalist Participating Club from the West Region and the second leg Match shall be hosted in the East Region by the finalist Participating Club from the East Region, with this order reversed in odd years).

The Away Goals Rule shall apply at the end of normal playing time of the second Match of the Finals, although it shall not apply in Extra Time.

- Participating Teams shall be allowed to use a maximum of five substitutions per Match in accordance with the rules set out by the IFAB.
- Participating Teams may still use one additional substitution in accordance with the Competition Regulations when a Match goes into Extra Time.

Hong Kong champions Kitchee SC have won the domestic title 11 times and in the last 10 years, won slightly more than half of all possible trophies contested in Hong Kong. At the Continental level, the Mong Kok Stadium-based club created history when they defeated Japan's Kashiwa Reysol and became the first club from Hong Kong to win a match in the AFC Champions League. Kitchee SC's best performance in the AFC Club Competition was in 2014 when they reached the AFC Cup Semi-finals.

5. If your organisation is a Non-Rights Holder (NRH) under the TV category, please confirm with the Local Media Officer the venue you wish to visit, and whether you are authorised to access the match.

6. For guidelines for PHO (Photographers) & ENG (Electronic News Gathering), please refer to the following pages in this Media Guide.

MEDIA FACILITIES

The Hosting Club shall extend all necessary assistance to the AFC and where applicable, the AFC Commercial Rights Partner (Football Marketing Asia [FMA]), Commercial Affiliates, Host Broadcaster (HB) and Broadcast Partners (RTV) in facilitating and ensuring the successful transmission of broadcast signals for each match including technical assistance relating to production requirements and the exercise and exploitation of Media Rights.

1. **Reception Desk**
   The Hosting Club is required to have a security-controlled, dedicated media entrance at each Stadium and a reception desk where media representatives may pick up their accreditation, bibs, and acquire other necessary information.

2. **Media Tribune (Written Press Positions)**
   Covered seats are to be reserved for the written press in the central area of the main stands with an unobstructed view of the entire pitch. These written press positions should have easy access to other media facilities such as the Media Working Area, the Press Conference Room and the Mixed Zone, and should be security-controlled to restrict access to accredited media representatives only.

   There should be two adjoining areas within the Media Tribune – one area with seats with desks and the other, seats without desks. The desks must be big enough to accommodate a laptop, computer and notepad, and must be equipped with chairs, lighting, power supply, and internet cables.

3. **Press Conference Room**
   The Press Conference Room is to be located between the team dressing rooms and the team bus area, and should be easily accessible from the Media Working Area. The Press Conference Room should be equipped with the required number of seats for media representatives, an interviewee podium at the front of the room with desks and chairs for a maximum of six representatives, ENG podium at the back of the room, sound system with microphones, and lighting of sufficient brightness to cover the entire interviewee podium. The Hosting Club shall provide an audio splitter at the back of the Press Conference Room for TV cameras to get a clear audio feed.

   The participating teams are responsible for the interpretation of coaches and players' language(s) into English. For the Finals, interpreters and interpretation booths must be provided and simultaneous interpretation must be available at the press conferences.

   FMA will give priority for access to the press conference to the HB and the RTVs. If space is available, FMA may at its discretion give access to the Non-Rights Holders (NRH).

4. **Media Working Area**
   A security-controlled Media Working Area, where the media may work before and after the Official Training Sessions held the day before the match, and also before and after the match, is to be created within the access control area in the Stadium, or in an adjacent area with controlled access. The Media Tribune, the Press Conference Room and the Mixed Zone should be easily accessible from this Media Working Area.

   The facilities in the Media Working Area should include the necessary number of chairs and desks, sufficiently large for media to work on, as well as sufficient lighting, air conditioning, power supply and internet lines for all media personnel present. Telephone lines, public phones, fax machines, copy machines and printers should also be available for use by the media.

Facilities in the Media Working Area may also include a hospitality area for the media to enjoy refreshments or hold a meeting with colleagues, an information desk manned by staff who can respond to questions regarding media operations and distribute materials and photographer bibs; and pigeonholes where printed materials can be distributed.

Unless specified otherwise in the new AFC guidelines, the Media Working Area will remain closed as per the AFC's 'Match Operations Protocol During COVID-19 Pandemic' (www.the-afc.com/downloads/).

5. Mixed Zone

A Mixed Zone is to be set up in an easily accessible area unaffected by weather or surrounding noise between the team dressing rooms and the team bus area in order for the media to interview the head coaches and players of each team after the match. Only head coaches and players of both teams and media representatives are allowed access to the Mixed Zone.

The passage for the head coaches, players and the media shall be fenced off by a partition and the area should be brightly lit. Head coaches and players must exit the dressing room to the team bus area via the Mixed Zone.

Unless specified otherwise in the new AFC guidelines, the Mixed Zone will remain closed as per the AFC's 'Match Operations Protocol During COVID-19 Pandemic' (www.the-afc.com/downloads/).

6. Media Positions During the Match

Access to the Stadium is controlled the day before the match and on Match Day, and media access is limited depending on the accredited category. The media are prohibited from accessing the operation headquarters, the doping control room, the referee dressing room, team dressing rooms and the Field of Play. Security staff will control access by identifying the various accreditation cards and bibs.

The HB, RTVs, and Official Photographers shall adopt positions around the Field of Play and on the spectator stand areas or such other areas as advised by the AFC. Only ENG crews from a Broadcast Partner or other party appointed by the AFC and/or FMA shall adopt positions behind the advertising boards at the back of each goalposts and main camera platform at the main stand area or such other areas as advised by the AFC, subject to availability of space. PHO shall adopt positions behind the advertising boards at the back of each goalposts or other such areas as advised by the AFC, subject to availability of space.

Under no circumstances shall media other than the HB, RTVs and Official Photographers be allowed access on the Field of Play or between the boundaries of the Field of Play and spectator stands at any time during the Competition.

7. Photographer Operations

In general, PHO may access the pitch area from approximately two hours before kick-off. However, photographers will not be given unrestricted access to all areas around the pitch, and will not be allowed access onto the Field of Play. Moreover, they will not be allowed access into the central area on the pitch where the team benches are located, except before the match when team photos are taken.

The PHO positions during the match will be located behind the advertising boards behind both goals and along the touchline opposite the team benches. Space for TV crews must be secured in this area as well.

Should PHO wish to set up a remote camera directly behind the goal, they must make appropriate arrangements in advance with the AFC Match Commissioner, Local General Coordinator, FMA and the referee to determine the location in which the remote camera may be set up.

8. **Flash Interviews**
Flash interview positions are to be set up in an appropriate location for post-match TV interviews of the head coaches and players. The flash interview positions are to be located between the pitch and the team dressing rooms, and as close to the team dressing rooms as possible.

9. **Television and Radio Commentary Positions**
TV and radio commentary positions may be requested by FMA and the HB/RTVs in an area adjacent to the Media Tribune. They should have an unobstructed view of the entire pitch, be located under a roofed area near the centre of the stands and be located on the same side as the main camera. Each commentary position should have three seats, with ample power capacity and supply, telephone line, internet access, TV monitor, etc.

10. **Television Studio**
Television studios may be set up within the Stadium premises for television broadcasting. Upon request from FMA or the HB, they may be set up near the team dressing rooms in order to interview the head coach and players after the match, separately from the flash interview, or in an upper area of the stands with a view of the pitch for a presentation studio in which guest speakers and commentators may appear before and after the match and at half time.

11. **OB Van Area**
The Hosting Club is to provide a large parking space to be used as the OB (Outside Broadcast) van area by the HB. Generally, the HB will park OB vans, tender trucks, generators, satellite uplink vehicles, graphic vans, and other vehicles in this area. This area should be clean, have a hard enough surface to park large vehicles and be close to the main camera position (in the Stadium). It should be security-controlled and fenced off so that spectators cannot access the area, and have lighting of 100lx in order to allow media in the area to work at night if necessary.

12. **Team Dressing Room**
Team dressing rooms are strictly off-limits to any media at all times during the Competition. The Participating Teams shall ensure that their respective media personnel observe and comply with these provisions.

    The AFC reserves the right to grant the HB, Official Photographers, AFC digital crew, FMA and Commercial Affiliates access to the team dressing rooms prior to the arrival of a Team Official Delegation to record and film the Participating Team's playing kit and equipment.

ENG GUIDELINES

- FMA is the sole owner of all television rights relating to the AFC Champions League. All television crews must be accredited before being allowed entry to any AFC Champions League matches.
- Please follow the instructions of the event organiser and AFC/FMA officials present at the Stadium.
- Only one camera per organisation will be allowed into the Stadium. News coverage of a particular day's events may be no longer than two minutes. Sports anthology series and magazine shows must clear rights directly with FMA.
- ENG crews are limited to a maximum of one cameraman, one producer and one assistant. Any other member of the ENG crew (presenters, etc.), should watch the match from the press box when they are not actively involved in the shoot.
- Accredited crews must pick up Media Identity Bibs at the media centre or Stadium entrance well in advance. Crews will be asked to exchange their journalist ID or national ID cards for bibs. Cards will be returned to crews when they return the bib.

- Media Identity Bibs will allow ENG crews pitch-side access, and they must be worn at all times. Failure to do so will result in expulsion from the Stadium.

- ENG crews may never enter the Field of Play, the team dressing rooms or the stands at any time before, during or after the match. Any ENG crew entering any of the prohibited locations shall have their Accreditation Card withdrawn immediately for the duration of the Competition.

- Prior to kick-off, ENG crews may shoot the line-ups of the teams from the near touchline, but please stay off the Field of Play. Crews will not be allowed to shoot from behind the far touchline's advertising boards.

- Once the game starts, you must shoot from behind either goal. Crews are required to stand behind advertising boards and will not be allowed to change sides until halftime, the end of regulation time, or the start of extra time. When changing ends, crews should pass along the far side of the pitch, behind the advertising boards. Under no circumstances will crews be allowed to shoot from either touchline during the match.

- Only television cameras tied into the live feed will be allowed to shoot the match from the spectator stands at a specifically assigned location. No other television cameras are allowed in the spectator stands.

- ENG crews may not go on to the Field of Play to interview players after the match. Only the HB and RTVs using the flash interview facility (by arrangement with FMA) may interview a selected player(s) at a flash interview zone after the end of the match. ENG crews may interview Participating players/officials in the designated Mixed Zone only.

- Anyone who does not follow these rules will be escorted out of the Stadium and may have their accreditation taken away for further matches of this Competition. If you are unsure of where you should or should not shoot, please contact the Local Media Officer or the FMA Broadcasting Services Manager on-site.

PHOTOGRAPHERS GUIDELINES

- All PHO requiring area access must wear a media bib. Bibs are available from the Hosting Organisation.

- PHO may work at a position designated by the Local Media Officer, but should not move during the match. Access to the Field of Play is not permitted at any time, including before and after the match.

- Before the start of each match, PHO may shoot the line-ups of the Participating Teams from the touchline but must not enter the Field of Play.

- Unless specified otherwise in the new AFC guidelines, PHO will not have the access to shoot the line-ups of the Participating Teams from the touchline as per the AFC's 'Match Operations Protocol During COVID-19 Pandemic' (www.the-afc.com/downloads/). PHO shall remain in position behind the advertising board.

- After the match, you may return to the touchline to cover the awards presentation if necessary, but you must not enter the Field of Play.

- The coaches of the two teams will attend a press conference that will commence immediately after the match. Only Official Photographers are invited to attend, unless the Local Media Officer allows accredited PHO into the Press Conference Room. At the Press Conference Room, PHO must stand near the back of the room so as to not to interrupt TV camera angles and journalists' view of head table.

- Anyone who does not follow these rules will be escorted out of the Stadium and may have their accreditation taken away for further AFC Champions League matches. If you are unsure of where you should or should not shoot, please contact the Local Media Officer on-site.

AFC DIGITAL GUIDELINES

- A maximum of two AFC digital personnel (each following one team) shall be allowed to have access similar to those of the official photographers during a match.
- Each member of the AFC digital crew will wear a dark blue bib with DIGITAL written on it instead of OFFICIAL. The AFC digital crew shall be allowed to film team arrivals, team dressing rooms, the team march-in (together with other photographers from inside the rope), the match (from behind the boards), Mixed Zone and press conferences.
