indirectly involved, since the entry into force of Article 73.6 of the AFC Statutes on 8
June 2010 (or its future equivalents), in any activity aimed at arranging or influencing
the outcome of a match at national or international level, such club shall be declared
ineligible to participate in AFC Club Competitions. Such ineligibility is effective for only
one (1) Sporting Season.

9.7.1. When making this administrative decision, the AFC can rely on, but is not
bound by, a decision of a national or international sporting body, arbitral
tribunal or state court.

9.7.2. The AFC can refrain from declaring a club ineligible to participate in the
competition if the AFC is comfortably satisfied that the impact of a decision
made in connection with the same factual circumstances by a national or
international sporting body, arbitral tribunal or state court has already had the
effect to prevent that club from participating in an AFC Club Competition.

9.7.3. Where a club is declared ineligible, it is considered to have not met the
sporting criteria. Accordingly, the club that finished in the next highest position
in the domestic top division league and is licensed shall replace it, subject to
the operation of Articles 3.4 and 3.5 (for ACL) or Article 5.6 (for ACC), read
together with Article 9.5.

shall be made in accordance with the Procedural Rules Governing the AFC Entry
Control Body.

AFC may, if the circumstances so justify, initiate disciplinary proceedings in

9.9. Should a Member Association, as a result of the operation of Article 9.5, have more slots allocated to it than eligible clubs which meet the sporting criteria, any vacant direct slot(s) shall be redistributed in accordance with the procedure set out in Articles 3.14 and 3.17 (for ACL) or Article 5.8 (for ACC). Any vacant indirect slot(s) shall be annulled.

**Member Association allocated more Slots than one-third (1/3) of the Domestic Top Division League**

Should a Member Association, as a result of the operation of Article 3.2 or 5.2, have more slots allocated to it than the number of clubs it is permitted to enter in the AFC Club Competitions, any vacant direct slot(s) shall be redistributed in accordance with the procedure set out in Articles 3.14 and 3.17 (for ACL) or Article 5.8 (for ACC). Any vacant indirect slot(s) shall be annulled.

**Eligible Club refuses to enter AFC Club Competition**

9.11. If an eligible club refuses to enter an AFC Club Competition, despite being licensed and meeting the sporting criteria, the slot allocated to its Member Association shall be annulled, regardless of whether it is a direct slot or indirect slot.

9.12.3.4. being able to exercise by any means a decisive influence in the decision-making of a club.

Control or Influence determined prior to Commencement of AFC Club Competition

9.13. In the event that the AFC determines, prior to the commencement of an AFC Club Competition, that there exists a breach of the eligibility criteria in Article 9.12, only one (1) of the breaching clubs may be admitted, in accordance with the following (in descending order):

9.13.1. the eligible club which is affiliated to the Member Association with the higher ranking in the AFC Club Competitions Ranking; or

9.13.2. if affiliated to the same Member Association, the eligible club which is the higher seed.

9.14. The AFC Entry Control Body shall make all final decisions in this regard. Such decisions shall be made in accordance with the Procedural Rules Governing the AFC Entry Control Body.

9.14.1. Where a club is declared ineligible, it is considered to have not met the sporting criteria. 9.14.2. In the event that AFC Entry Control Body determines that the scenario in Article 9.13.2 has occurred, a prima facie breach of the AFC Club Licensing Regulations has occurred and the matter shall also be referred to the AFC Disciplinary and Ethics Committee.

Control or Influence determined during AFC Club Competition

9.15. In the event that the AFC determines, during an AFC Club Competition, that there exists (or has come into existence) a breach of the eligibility criteria in Article 9.12:

9.15.1. the participating clubs shall be permitted to complete the AFC Club Competition;

9.15.2. the participating clubs shall be declared ineligible to participate in AFC Club Competitions for the following two (2) Sporting Seasons.

9.16. The AFC Entry Control Body shall make all final decisions in this regard. Such decisions shall be made in accordance with the Procedural Rules Governing the AFC Entry Control Body.

9.16.1. Where a club is declared ineligible, it is considered to have not met the sporting criteria. Accordingly, the club that finished in the next highest position in the domestic top division league and is licensed shall replace it, subject to the operation of Articles 3.4 and 3.5 (for ACL) or Article 5.6 (for ACC), read together with Article 9.5.
9.16.2. In the event that AFC Entry Control Body considers that such violation involves dishonest conduct, the matter shall also be referred to the AFC Disciplinary and Ethics Committee.
