Summary: AFC Futsal Club Championship Indonesia 2018

Group Stage

Nagoya Oceans had a point to prove after missing last year's edition as they finished top of their group where they only conceded one goal with a perfect win record. Vamos set the bar high for Indonesia when they created history by becoming the first Indonesian team to qualify for the Knockout Stage of the competition. Head coach Reza Falahzadeh brought inexperienced players into the tournament and his faith in the youngsters paid off as they fought gallantly to reach the last-eight.

Dalian Yuan Dynasty showed promise despite losing their opening match to three-time champions Nagoya. But a draw against Vamos put the China club in a tough position to qualify for the Knockout Stage and eventually lost out to the hosts on goal difference. Victoria University College were slow starters in the tournament. The club from Myanmar finished without a point but showed what they are capable of in their final match against Nagoya and Dalian. In Group B, Thai Son Nam lost 4-3 to Nafit Al Wasat in their second group match. But the Vietnam club came back strongly to beat Al Dhafra in their final group game to finish second. Nafit progressed into the Knockout Stage as Group B winners following wins against Thai Son Nam and Korea Republic's Jeonju MAG (6-1). The Iraq club's only blip came in the 1-1 draw against United Arab Emirates' Al Dhafra who finished third after picking up four points after securing a win against Jeonju. Jeonju ended their debut campaign without a point but showed significant improvements in their game.

Almost everyone wanted to avoid facing defending champions Bluewave Chonburi in the early stages of the competition as they were powered by established players Kritsada Wongkaeo, Suphawut Thueanklang and Jirawat Sornwichian. The Thailand club started strongly in Group C as they remained unbeaten in the group stage and boasted a prolific scoring record of 21 goals, equaling Mes Sungun. Head coach Rakphol Sainetngam gave his younger players some playing time and they were equally impressive.

FC EREM exceeded expectations by qualifying for the Knockout Stage. The Kyrgyz Republic side finished second in their group after beating Qatar's Al Saliya 4-1 in their opener and defeated Australia's Vic Vipers 4-2. Al Saliya secured their only win in the group stage against Vic Vipers and lost out to advance into the next round when they were tamed by Bluewave in their final group match. The club was unable to live up to expectations as other Qatar representatives have advanced into the Knockout Stage on six occasions since the tournament's inception in 2010.

Vic Vipers were aiming to qualify into the Knockout Stage but faced tough competition against Al Saliya, FC EREM and Bluewave Chonburi as they finished without points. The Australian club however improved on their scoring ratio in Yogyakarta with six goals as compared to three achieved last year.

Mes Sungun started their campaign as title favourites despite being newcomers in the tournament. The club followed the script and marched easily into the Knockout Stage. Bank of Beirut were equally impressive following easy wins against debutants AGMK FC and FC Sipar and finished second in Group D.

Quarter-Finals

Nagoya's winning streak, however, came to an abrupt end when Thai Son Nam came back twice from a goal down to beat them 3-2 in extra time. Thai Son Nam became the only ASEAN team left in the competition as defending champions Bluewave were knocked out by Bank of Beirut who edged them 3-2 on penalties following a 7-7 score.

Nafit needed extra time to overcome Vamos FC 7-4 after a spirited fightback saw the home side take a 3-2 lead in the second half. Nafit dug deep to equalise in the final minute after conceding two goals to force extra time following a 4-4 deadlock at the end of regulation time. Captain Syahidansyah Lubis was the anchor around Iqbal Aliefian, Mostafa Nazari, Dennis Guna Bawana and Bagus Himawan, who impressed the most, while Marvin Alexa Wossiry was their standout player. Mes Sungun on the other hand, cruised to a comfortable 8-3 win over FC EREM.

Semi-Finals

Thai Son Nam were made to work hard to reach the final but their journey only showed the resilience and work ethics of the Vietnamese players. Thai Son Nam produced a remarkable fightback against Bank of Beirut to win by a 6-5 margin. Apart from Javid who was Beirut's outstanding player, Ahmad Kheir El Dine, Mouhammad Hammoud, Mohamad Kobeissy and Patrick Vieira Luz all showed their fighting spirit but their journey to the top was halted by the highly motivated Vietnamese.

Mes Sungun's real tests came when they reached the Knockout Stage. Their first obstacle was Iraq's Nafit who held them 1-1 at halftime. However, in the second half, the West Asians fell 3-2 when the Iranians scored twice in the second half.

3rd/4th Place Match

Beirut finished third in Yogyakarta after defeating Nafit 5-3 in the play-off. The West Asians have bettered their past achievements when they reached the quarter-finals in 2015 and 2017. Beirut was powered by clinical Iranian Mahdi Javid, who eventually scooped the Most Valuable Player and Top Scorer awards.

The Final

TITLE JOY FOR MES SUNGUN VARZAGHAN

Mes Sungun Varzaghan clinched their first AFC Futsal Club Championship title with a 4-2 win over Thai Son Nam in the final. Mes Sungun captain Farhad Fakhim scored two goals in each half and was instrumental in steering Mes Sungun to their maiden title. The Iranian, who had a loan spell with Indonesia's Vamos FC this year, was happy but was quick to point out that the focus now will be to defend the title.

"Winning the championship may be tough, but keeping it is another thing all together. So we have to repeat this. I respect Thai Son Nam, they played very well, they have a good coach who is very tactical and their speed was remarkable. They made it very hard for us today.

"It will be a challenge for us to defend this title. But we are Iranians and who knows," said Fakhim.

Mes Sungun held the majority of possession against Thai Son Nam in a highly charged opening minutes in front of a packed crowd at the Gor Uny.

The team from Islamic Republic of Iran were quick off the blocks and tested Thai Son Nam goalkeeper Ho Van Y in the third minute after Hossein Tayebibidgoli tried his luck at goal with a sharp turn at the top of the arc.

Thai Son Nam tried to get their passing game going but found it hard against the Central Asians, who were quick to close in on their attacks.

However, Pham Duc Hoa broke free from his own half and his surging run on the right opened up Mes Sungun, with Pham pouncing on the opportunity to find the net from the top of the box in the fifth minute to put Thai Son Nam in the lead.

It was not long before Mes Sungun equalised, with Tayebibidgoli scoring with a cheeky back heel in the 10th minute following Saied Taghidzadeh's pass.

Mes Sungun picked up the pace and Fakhim put the Iranians in front when he scored off a corner in the 12th minute.

However, Thai Son Nam found their way back into the game in the 18th minute when Tran Van Vu's effort from the top of the arc took a deflection and into the goalmouth.

In the second half, Mes Sungun maintained their intensity and caught their opponents off guard to take the lead in the 23rd minute when Fakhim unleashed a powerful shot from the top of the arc.

Boosted by the goal, Mes Sungun moved effortlessly around the court and came close to scoring again in the 31st minute when Ali Asghar Hassanzadeh's shot from inside the box hit the crossbar.

With six minutes left, Thai Son Nam activated the power play with Nguyen Thanh Tin coming in for a five-pronged attack but they couldn't break down Mes Sungun's defence.

Hassanzadeh then wrapped proceedings up for Mes Sungun when he scored a penalty in the 39th minute.

National Teams Effect

The last four teams followed the strategies set by their coach. The players were disciplined in defence throughout the game. Understanding between the players kept the formation solid; therefore it made the coaches' tactical play and set pieces effective. However, the level of the competition has increased with the inclusion of the foreign players.

Role of the Stars - Players -

The star players were evenly distributed among the clubs. They performed well, keeping the formation as well as motivating other players. The stars also deployed a variety of strategies which helped their respective teams to advance.

Transition and Keep the Formation

The highlight of the tournament was the fast transitions between the defence and attack. The teams kept their formation which varied in shape based on the opponents.

Goalkeeper Roles

The performances of some of the goalkeepers was good but Asian teams and their associations must provide guidance for the goalkeepers by using a specific coach who understands the main role of a goalkeeper in futsal. A new generation of brave goalkeepers for Asia must be created.

Bench Behaviour

The many different scenarios which happens during a tournament, such as teams fighting back from a goal down, unpredictable moments, teams under pressure from defending were monitored with respect to bench behaviour.

The effect of all these situations were studied as to how the bench - officials and players, will react whether in a professional manner and how the bench can influence the players on court and improve their concentration.

TECHNICAL TOPICS

BACK TO CONTENTS

Challenging 1v1 in Attack and Defence

The majority of players were confident in 1v1 challenges and closed down space to regain possession. Good dribbling technique and quick decision-making was evident in the more successful teams.

Shooting from Distance

Decision-making on whether to shoot from distance has improved, and an increased anticipation of the rebound and second ball was also noted during the tournament.

Substitution

For the majority of teams, all players had the opportunity to play and the coaches tried to maximise the performance of the players for the entirety of games by rotating players, with a variety of substitutions such as 4-by-4 and 2-by-2. The squad of players demonstrated similar technical levels, although levels of experience of the players varied within the group.

Simplified Set Pieces

A more simplified approach to set-pieces was observed, such as shooting as soon as the ball comes from the side after kick-in or corner, as well as fast finishing from direct/indirect free kicks. One outstanding observation was the use of the volley shot particularly from corner kicks.

List of Recommendations For Future Futsal Development

- Match analysis is vital for the coaches and players to better understand their own team as well as the opposition, both before the tournament as well as each match. There must be a team or at least one specialist to do this job for the head coach.
- It was clear that to win a match teams couldn't simply rely on players' technical & tactical ability. It is a prerequisite to have a good level of physical conditioning to execute the techniques and tactics in the fast, high pressure environment of modern futsal.
- From this club championship it was evident that some teams could not achieve their usual standards due to low morale, lack of self-belief or insufficient desire to win. However, some teams

showed great fighting spirit and were able to perform much better. Therefore, appropriate psychological preparation should be considered and integrated into teams' regular training sessions.

- To practise alternating between different attacking and defending systems flexibly. In modern futsal, the better teams react well to situations during the match. This relies on the players' intelligence, understanding of the game and among team members, as well as of course the players' technical & tactical ability. This can be further improved through a series of quality training sessions and competitive matches.

AWARDS

FAIRPLAY AWARDS: NAFIT AL - WASAT (IRQ)

The AFC Fair Play Award is awarded to the team which has collected the most Fair Play points in the competition. AFC Futsal Club Championship 2017 winner Thai Son Nam won the Fair Play Award after amassing 53.50 points.

FAIR PLAY AWARD CRITERIA:

Teams are assessed in five categories, with a further category relating to the behavior of the public. This is how the points are calculated.

1. Red and Yellow Card (max. 10 marks):

If a player who is on a yellow card (-1 point) commits another yellow card offence, only the red card will count (-3 points). But if a player who has already been cautioned then commits a red card offence, both cards will count (so the player will receive -4 points). This is the only section in which it is possible to receive a score below zero.

2. Positive Play (max. 10 marks):

This is designed to encourage attractive play that will increase the enjoyment of spectators and the following areas are taken into consideration:

Positive

- Using attacking tactics, not defensive
- Speeding up the game
- Efforts to gain time (e.g. bringing the ball back into play quickly even if the team is in a winning position)
- Continuing to push for goals when in a winning position

Negative

- Slowing down the game
- Time wasting
- Tactics based on foul play
- Play-acting (simulation)

3. Respect towards the opponent (max. 5 marks):

Players should respect the Laws of the Game and abide by the spirit of Fair Play. The Fair Play delegate's assessment will not double count items already covered in the 'Red and Yellow cards' category, but the seriousness of the offences punished by cards may be considered. This category will also include offences overlooked by the referee. Any single major incident between players may have a significant bearing on the final score.

4. Respect towards the referee (max. 5 marks):

Players are expected to respect the officials - including assistants - at all times. The Fair Play delegate's assessment will not double count items already covered in the 'Red and Yellow cards' but the seriousness of the offences punished by cards may be considered. Any single major incident may have a significant bearing on the score. A positive attitude, including the acceptance of doubtful decisions without protest, will be rewarded with high marks.

5. Behaviour of the officials (max. 5 marks):

Team officials, including coaches, are expected to develop the sporting, technical and tactical level of their team - and instruct players to behave in accordance with the Fair Play principles. Positive and negative aspects of the team officials' conduct will be assessed - such as whether they calm down or provoke angry players or fans and how they accept the decisions of the referee. Co-operation with the media will also be taken into account. Any single major incident may have a significant bearing on the final mark, as will breaches of the regulations governing the dugout and technical area.

For categories 1-5, the overall assessment of a team is obtained by adding up the points given for the individual categories, dividing this sum by the maximum points score (40) and multiplying it by 10.

Total Number of points (x 10 / (40*)).

In addition, there is one further category assessed by the Fair Play delegate.

6. Behaviour of the crowd (max. 5 marks):

All teams begin with a score of 5 points. A maximum of a further 5 points can be added for:

- Verbal support in acceptable form
- Covert recognition of outstanding play by the opponents

A maximum of 5 points can be deducted for:

- Persistent foul and abusive language
- Persistent abuse of the officials' decisions
- Aggressive and threatening conduct towards opposing fans

TOP GOALSCORER AWARDS:

MAHDI JAVID

Mahdi Javid emerged as the AFC Futsal Club Championship Top Scorer with nine goals. Assists will be included if two or more players were equal on goals scored.

MVP AWARDS:

MAHDI JAVID

Mahdi Javid was crowned the AFC Futsal Club Championship Most Valuable Player (MVP). The 31-year-old scored four times during the competition.

MVP SELECTION CRITERIA:

1. Semi-finalist Team.
2. No red card received.
3. Major impact on outcome of the match.
 - Inspiration to others
 - Technical skills
 - Tactical Awareness

- Physical Fitness
- Sporting Behaviour
