COMPETITION OVERVIEW

GROUP STAGE

GROUP A

Hosts Port FC started their campaign well, defeating Korea Republic's Star FS Seoul 3-0, before seeing off China PR's Shenzhen Nanling Tielang 4-1 and FC Erem 3-0 to emerge as Group A winners. Shenzhen also had a winning start but bounced back from their loss to Port FC to eliminate FS Seoul in a hard fought 3-2 win to finish second in the group.

GROUP B

Thai Son Nam FC of Vietnam topped their group after cruising past AGMK FC of Uzbekistan 4-1 and Qatar's Al Rayyan 5-1 before fending off a late Naft Al Wasat charge to win 6-4. AGMK bounced back in style with victories over Naft Al Wasat (5-3) and Al Rayyan (7-5) to grab second spot. Naft Al Wasat finished with three points with a win over Al Rayyan.

COMPETITION OVERVIEW

GROUP STAGE

GROUP C

Lebanon's Bank of Beirut defeated Myanmar's Victoria University College 4-2, before registering victories over Soro Company of Tajikistan (7-2) and Indonesia Vamos FC (4-0) to stay perfect. Vamos were made to work hard for their 6-4 win against Soro Company and advanced to the knockout stage following their 3-0 win over Victoria University Company, who finished last after failing 6-5 to Soro Company.

GROUP D

Japan's Nagoya Oceans stayed undefeated after seeing off United Arab Emirates' Al Dhafra Sports and Cultural Club 4-2 and Kazma SC of Kuwait 3-1 before edging Islamic Republic of Iran's Mes Sungun Varzeqan 3-2 to top the standings. Mes Sungun claimed second spot after registering wins over Kazma (8-2) and Al Dhafra (5-0). Debutants Kazma finished without points following their 3-2 loss against Al Dhafra.

QUARTER-FINALS

VS

NAGOYA OCEANS VS VAMOS FC

Nagoya Oceans continued their impressive run in the last eight against Vamos when they took a 2-0 lead at half-time thanks to strikes from Neto Antonio Hirata and Pepita. The Japanese club sealed their victory after Ryohei Ando's strike before Nandi Sumawijaya scored a late consolation goal.

QUARTER-FINALS

VS

BANK OF BEIRUT VS MES SUNGUN VARZEQAN

Mes Sungun needed extra-time to overcome a tough resistance from Bank of Beirut. Mes Sungun took the lead through Bocao's strike before Ali Tneich and Ali El Homsy gave Bank of Beirut a 2-1 lead at half-time. In the second half, Mes Sungun's Mahdi Javid leveled the score with two minutes left in the game before captain Farhad Fakhim scored in extra-time for a 3-1 victory.

QUARTER-FINALS

VS

THAI SON NAM FC VS SHENZHEN NANLING TIELANG

Shenzhen Nanling Tielang kept Thai Son Nam at bay as the score remained goalless at half-time. Thai Son Nam, however, returned a different side after the break as they scored five goals with Kayuza Shimizu scoring twice, while Ding Shinjie netted a late consolation for Shenzhen.

QUARTER-FINALS

VS

PORT FC
VS
AGMK FC

AGMK dominated the match and took a 1-0 lead at half-time through Davron Choriev's strike. The Uzbekistan club increased their advantage in the second half following strikes from Ilhomjon Hamroev and Akbar Usmonov. Osmanmusa pulled one back for Port FC to set up a frantic finish with Choriev replying to make it 4-1 in favour of AGMK. Osmanmusa scored two more quick goals but in the end, AGMK finished 4-3 to book their semi-final spot.

COMPETITION OVERVIEW

SEMI-FINALS

VS

THAI SON NAM FC VS NAGOYA OCEANS

There was no stopping Nagoya Oceans as they took a 2-0 lead at half-time through Pepita's double. Thai Son Nam, were restricted to scoring only a goal, when Nguyen Manh Dung netted in the second half. Shota Hoshi sealed the win for Oceans when he scored five minutes before the end of the game.

SEMI-FINALS

VS

AGMK FC

VS

MES SUNGUN VARZEQAN

Mes Sungun performed well against AGMK as Alireza Askari, Farhad Fakhim, Mohammad Shajari and Mahdi Javid all found the back of the net to lead 4-2 at half-time. Askari increased their advantage just after the half-hour mark but AGMK's Dilshod Rakhmatov replied immediately to make it 5-3. However, Javid scored two quick goals to complete his hat-trick for a 7-3 finish.

THIRD-PLACE MATCH

VS

AGMK FC VS THAI SON NAM FC

AGMK started impressively and took a 2-0 lead after two minutes through Akbar Usmonov and Mashrab Adilov. Thai Son Nam, however, pulled one back though Kazuya Shimizu but Ikhtiyor Ropiev restored AGMK's two-goal advantage going into the break. Ropiev scored an own goal early in the second half and that gave Thai Son Nam the momentum to level the tie with goals from Nguyen Manh Dung and Tran Thai Huy. AGMK were left shattered when Shimizu scored two more goals to complete Thai Son Nam's stunning comeback for a 6-4 victory.

COMPETITION OVERVIEW

FINAL

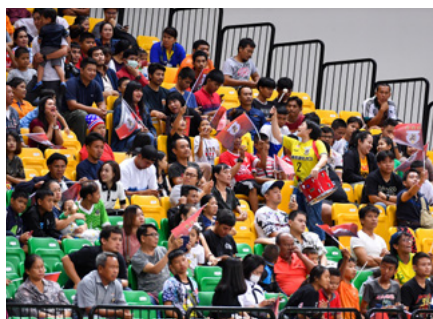

VS

MES SUNGUN VARZEQAN VS NAGOYA OCEANS

Mes Sungun were confident of stopping Nagoya Ocean's in their second attempt after succumbing to a 3-2 defeat in the group stage. However, the Iranians were stunned when Neto Antonio Hirata opened the account for Oceans in the seventh minute. The Japanese club dominated proceedings in the second half and increased their advantage just after the half-hour mark through Ryohei Ando as they held on to win their fourth title.

TALKING POINTS

4-0 FORMATION

Most teams employed the 4-0 system in this championship – a high pressure tactic allowing four players to support and maintain ball possession with the use of individual dribbling skill and speed to penetrate the defence.

Even teams who implemented 3-1 system with the target man tactic they immediately reverted to 4-0 for the quick support if the pass failed to reach to the target man.

FOREIGN PLAYER RECRUITMENT

Foreign players in most of the teams added significant value for the fans and also had impact on the final result. They brought individual skill, physical strength, attitude as well as character to the championship. It proved that with the right recruitment of foreign players it was possible to strengthen the team and learn from their strengths and ability.

COACHES' MENTALITY

Coaches often relied on 6-7 key players in this championship and used in them in most matches. This resulted in some high profile or key players being overused and exhausted in the match and so limiting their effectiveness. This determination to obtain results led to a lack of risk taking and belief in the substitutes or young players. It demonstrated clearly that winning was more important than the development of the team.

MENTAL READINESS

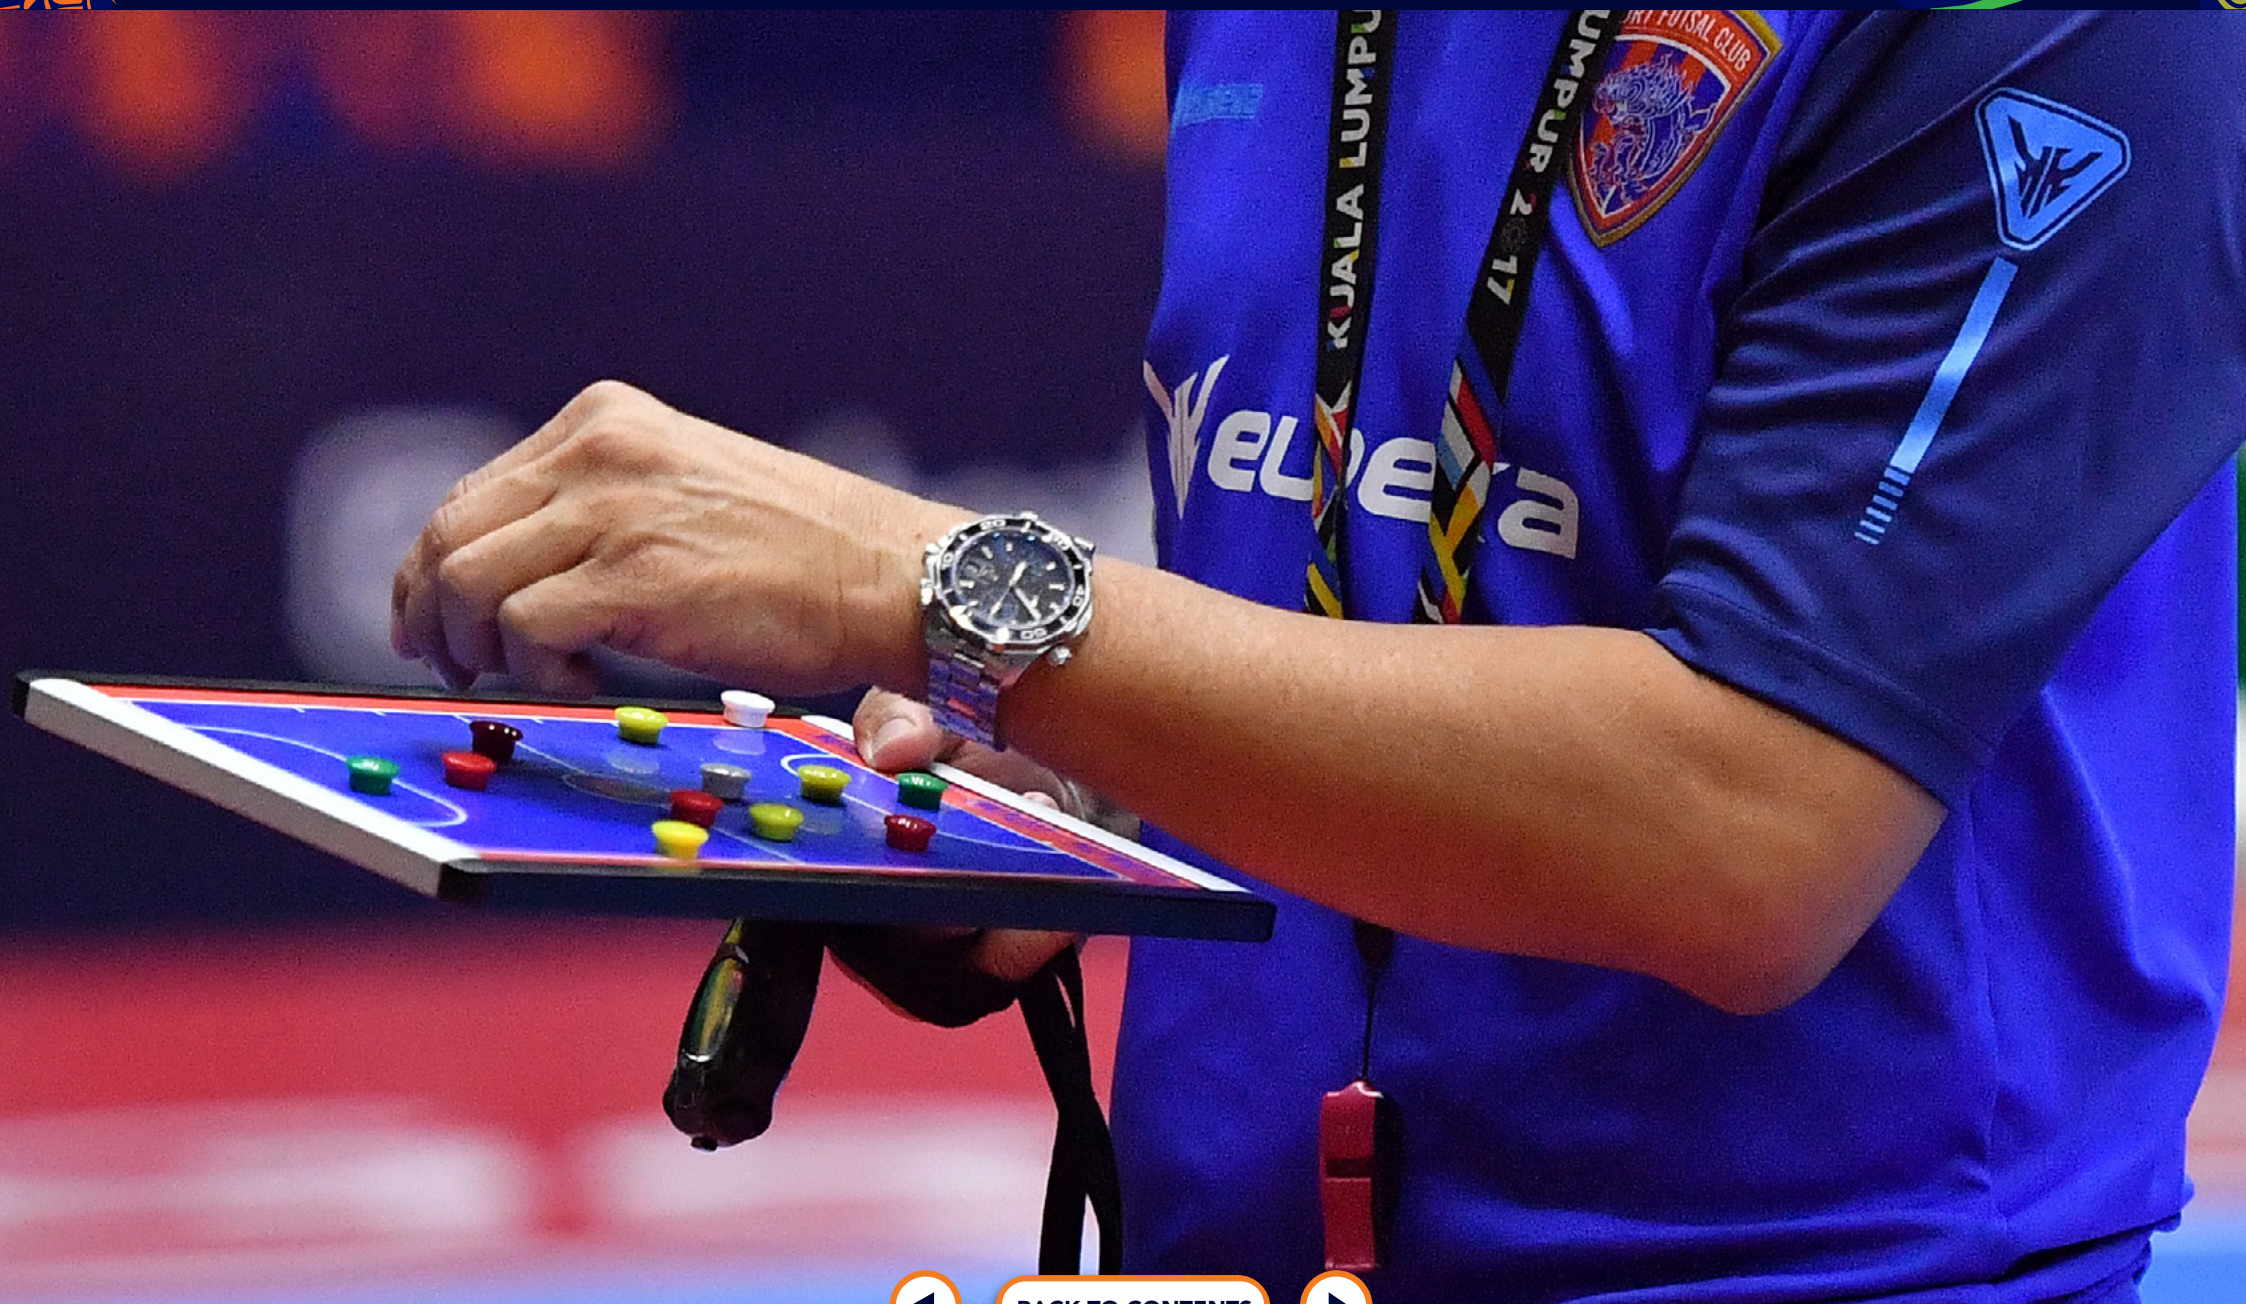

Many teams demonstrated a mental toughness. The employment of foreign players and coaches was effective in this area.

ROLE OF GOALKEEPER

Goalkeepers play an important role in the outcome of the match. It seems that all goalkeepers have technically improved in their reactions, comfort on the ball, throwing and catching, reading of the game and interceptions. The top four teams had the best goalkeepers and this was confirmed by the number of keepers' selected as MVPs.

TECHNICAL TOPICS

TECHNICAL TOPICS

1V1 REQUIREMENT

In this edition of the championship, the 1v1 is the most important. The high pressing game is very common now and it is one of the key elements for players to keep the ball, either running or dribbling. In defence, strong 1v1 solid marking and good technique are other important abilities that every player must possess especially in a high pressing game.

SHOOTING DEMANDS

The importance of shooting from 10-12 metres against deep marking defences was also highlighted during the championship. Another important technique is the ability to deliver a toe shot while running at speed and this made it difficult for defenders to block or intercept.

INDIVIDUAL DEFENCE

Players still need to improve their defensive skills even though there has been an improvement with weaker teams now conceding less goals.

ROLE OF FITNESS

Physical contact (duel 1v1) is predominant in futsal. Body strength is crucial in these situations allowing some of the smaller players from Thai Son Nam and Vamos to prosper due to good conditioning. Therefore, teams who have good conditioning will win the 1v1 duels.

PASS AND CONTROL

The primary component of futsal is the ability to pass and control and we have witnessed an improvement from all teams. However, a few teams still failed to show such technique when being pressed and further work is needed in this area.

LIST OF RECOMMENDATIONS FOR FUTURE FUTSAL DEVELOPMENT

- Match analysis is vital for the coaches and players to understand their own team and the opposition better before the tournament and even before each match. There must be a team analyst or at least one specialist to carry out this role for the head coach.
- It was clear that winning a match didn't just rely on players' technical and tactical ability. To have a good or even higher level of physical conditioning to execute the technical and tactical skills in a fast and high pressure match is required.
- At this AFC Club Championship some teams could not perform up to own standard due to low morale, lacking in self-belief or insufficient winning spirit. However, some teams refused to surrender and showed great fighting spirit. This strong mentality made them difficult opponents. Therefore, the proper mental conditioning should be built into teams' regular training sessions.
- Altering different attacking and defending systems showing flexibly is also important.

The better teams would not rely entirely to one or two systems in attack/defence in one match or from match to match. These teams could react well to the match situation.

Their game plan relied on the players' intelligence, good understanding of the game, good understanding among the team members as well, of course, the players' technical and tactical ability.

And this is the result of a series of quality training sessions and competitive matches.
