**CHAMPIONS
LEAGUE 2019**

INTRODUCTION

Dear friends,

It is my great pleasure, on behalf of the Asian Football Confederation, to welcome all the representatives of the media to the new and exciting season of the AFC Champions League 2019.

The media play a vital role in promoting AFC competitions across Asia and engaging with millions of football lovers on the Continent.

We understand at the AFC the importance of the media in relation to all our competitions and that is especially the case in the AFC Champions League, where we see the top club sides in Asia battle for the coveted trophy.

Last year it was Kashima Antlers who lifted the title in front of 100,000 fans – a record – at the Azadi Stadium in Tehran. It was an outstanding occasion that earned much media interest. And it is that media coverage which takes the excitement of the AFC Champions League to so many fans - whether it be broadcasters, written press, photographs or the ever-growing social and digital media.

Each year we look to improve the standards of facilities for the media and that will be no different this year as we aim to continue the improvements, especially through our dedicated media channel on the AFC website.

I am sure that it will be another thrilling year ahead and I know you will capture the brilliance of the players and transmit the drama to your viewers and readers in even greater numbers than last season.

Thank you again for your continued support.

SHAIKH SALMAN BIN EBRAHIM AL KHALIFA
President, Asian Football Confederation

COMPETITION FORMAT

The 2019 AFC Champions League is composed of three stages:

1. Preliminary and Playoff Stage (Playoffs)
 - Consisting of 27 clubs vying for 8 slots in the Group Stage of the AFC Champions League.
 - 13 clubs competed for 4 slots in West Region.
 - 14 clubs competed for 4 slots in East Region.
 - The Preliminary Stage and Playoff Stage are played in single-match knock-out system.
 - If the score is tied after 90 minutes, extra time of 30 minutes is played. If score is still tied after extra time, penalty kicks shall determine the winner.
2. Group Stage (Group matches)
 - The Group Stage consists of 32 teams divided into eight groups of four.
 - Clubs play against the other clubs within their group in a home and away format, receiving three points for a win, one point for a draw and zero points for a defeat.
 - Teams are ranked according to the points they obtain with the top two teams in each group at the conclusion of the Group Stage advancing to the Knockout Stage.
 - If two or more teams are equal on points at the conclusion of the Group Stage, their ranking is determined as follows:
 - a) higher number of points obtained in the group matches played among the clubs in question;
 - b) superior goal difference from the group matches played among the clubs in question;
 - c) higher number of goals scored in the group matches played among the clubs in question;
 - d) higher number of goals scored away from home in the group matches played among the clubs in question;
 - e) if, after applying the above articles two or more clubs still have an equal ranking, they shall be reapplied exclusively to the matches between the clubs in question to determine their final rankings. If this procedure is unsuccessful, the following articles shall apply;
 - f) superior goal difference from all group matches played;
 - g) higher number of goals scored from all group matches played;
 - h) penalty kicks if only the two clubs are both on the field of play;
 - i) the lower score calculated according to the number of yellow and red cards received in group matches;
 - j) the club who belongs to the Member Association with the higher Club Competitions Ranking.
3. Knockout Stage (Round of 16, Quarter-finals, Semi-finals and Finals)
 - In the round of 16, clubs that finished first in each group play one home & one away match against a club that finished second in another group. Group runners-up host the 1st leg and group winners host the 2nd leg.
 - The quarter-finals, semi-finals, and final are played in home & away format. The teams are divided into West and Central & South zones in West Region and ASEAN and East zones in East Region. Matches are to be determined in an official draw.
 - In the Knockout Stage, the team that scores the most goals in both games wins the match and qualifies for the next round.
 - The away goals rule only applies if the aggregate score is tied at the end of regulation time in the second leg.
 - If the away goals rule cannot decide the match, extra time shall be played after the second leg.
 - If the score in extra time is tied, penalty kicks shall determine the winner (Away goals do not apply in extra time).

Dubai-based Al Wasl FC are set to compete in the AFC Champions League for only the third time in the club's history. On both of their previous appearances in Asia's premier club competition they have failed to progress beyond the group stage. Last season, Al Wasl FC finished bottom of Group C after losing all six of their group stage matches.

Club Profile

Iraq's Al Zawraa, who featured in the group stage of the AFC Cup last season, make a welcome return to the AFC Champions League following a lengthy 12-year absence for the side from Baghdad's Karkh District. Since making their debut in the inaugural 2002-03 edition, the reigning Iraq Premier League champions have made a total of three appearances in the competition, with the club's impressive 2007 campaign – during which they only lost one match en route to a second-place finish behind Al Wahda in Group A – undoubtedly their best to date.

A year after being beaten by Korea Republic's Seongnam FC in the final, the Isfahan-based outfit reached the last eight before narrowly losing over two legs to Suwon Samsung Bluewings. Club Profile

Al Nassr qualified for the AFC Champions League for the fourth time after coming third in last season's Saudi Pro League. They subsequently went on to confirm their place in the competition's group stage thanks to a comfortable play-off win over Uzbekistan's AGMK FC. While the Riyadh-based club won both the Asian Cup Winners' Cup and Asian Super Cup in 1998, their best performance to date in the AFC Champions League came in 2011 when they progressed to the last 16 before losing to Zobahan FC from the Islamic Republic of Iran.

Club Profile

Lokomotiv's third successive Uzbekistan league title success saw them secure a fifth appearance in the group stage of the AFC Champions League. Since then however, Lokomotiv have failed to progress into the knockout phase, although they came desperately close in 2018 when Iranian side Zobahan FC only beat them to second spot in Group B thanks to a superior head-to-head record.

Last year, Al Duhail SC famously recorded nine successive victories only to then bow out over two legs in the last eight to eventual runners-up Persepolis from the Islamic Republic of Iran.

One of Asia's most successful clubs with victories in the Asian Club Championship in 1991 and 2000, Al Hilal qualified for the AFC Champions League for an impressive 11th consecutive season following last year's Saudi Pro League title success. In the 2018 edition, they failed to make it out of the group stage – the first time they had failed to progress to the competition's knockout phase since 2006.

Two-time Asian Club Championship winners Esteghlal FC reached last season's quarter-finals before eventually bowing out to Qatar's Al Sadd SC. After qualifying courtesy of their Hazfi Cup title triumph, 2019 will mark yet another AFC Champions League appearance for the club who enjoyed their best campaign to date in 2013 when they won four of their six group stage games, before going on to beat the UAE's Al Shabab in the last 16 and Buriram United from Thailand in the quarter-finals. Their impressive run was, however, brought to an end in the semi-finals by FC Seoul.

Club Profile

Persepolis enjoyed their best AFC Champions League campaign to date last season when they reached the final before narrowly losing 2-0 on aggregate to Japan's Kashima Antlers. The Tehran-based club return to the competition in 2019 after winning an 11th Iran Pro League title, and will be looking to continue the fine continental form which has seen them only fail to progress beyond the group stage on two occasions since making their debut – an impressive run which also includes a semi-final appearance against Al Hilal SFC from Saudi Arabia in 2017.

MEDIA FACILITIES

1. Reception Desk

The Hosting Club is required to have a security-controlled, dedicated media entrance at each stadium, and a reception desk where media representatives may pick up their accreditations, bibs, and acquire other necessary information.

2. Media Tribune (Written Press Positions)

Covered seats are to be reserved for the written press in the central area of the main stands with an unobstructed view of the entire pitch. These written press positions should have easy access to other media facilities such as the Media Working Area, the Press Conference Room, and the Mixed Zone, and should be security-controlled to restrict access to only accredited media representatives.

There should be 2 adjoining areas within the Media Tribune – one area with seats with desks and the other, seats without desks. The desks must be big enough to accommodate a laptop computer and notepad, and must be equipped with chairs, lighting, power supply, and internet lines.

3. Press Conference Room

A Press Conference Room is to be located between the team dressing rooms and the Team bus area, and should be easily accessible from the Media Working Area.

The Press Conference Room should be equipped with a required number of seats for the media representatives, an interviewee podium at the front of the room with desks and chairs for a maximum of six representatives, ENG podium at the back of the room, sound system with microphones, and lighting of sufficient brightness to cover the entire interviewee podium.

The participating teams are responsible for the interpretation of coaches and players' language into English. For the final, interpreters and interpretation booths must be provided and simultaneous interpretation must be available at the press conferences.

4. Media Working Area

A security-controlled Media Working Area, where the media may work before and after the Official Training Sessions held the day before the match, and also before and after the match, is to be created within the access control area in the stadium, or in an adjacent area with controlled access. The Media Tribune, the Press Conference Room and the Mixed Zone should be easily accessible from this Media Working Area.

The facilities in the Media Working Area should include a necessary number of chairs and desks large enough to work on as well as sufficient lighting, air conditioning, power supply and internet lines for all media personnel present. Telephone lines, public phones, fax machines, copy machines and printers should also be available for use by the media.

Facilities at the Media Working Area may also include a hospitality area for the media to enjoy refreshments, rendezvous or hold a meeting with colleagues, an information desk manned by staff who can respond to questions regarding media operation, and to distribute materials and photographer bibs; and pigeon holes where printed materials can be distributed.

5. Mixed Zone

A Mixed Zone area is to be set up in an easily accessible area unaffected by weather or surrounding noise between the Team dressing rooms and the Team bus area, in order for the media to interview the head coaches and players of each team after the match. Only the head coaches and players of both Teams and media representatives are allowed access to the Mixed Zone.

The passage for the head coaches and players and the media area shall be fenced off by a partition and the area should be brightly lit. The head coaches and players must exit the dressing room to the Team bus area via the mixed zone.

6. Media Positions During the Match

Access to the stadium is controlled on the day before the match and on match day and media access is limited depending on the accredited category. The media are prohibited from accessing the operation headquarters, the doping room, the referee dressing room, team dressing rooms, and the field of play. Security staff will control access by identifying the various ADs and bibs.

7. Photographer Operation

In general, the photographers may access the pitch area from approximately 2 hours before kick-off. However, photographers will not be given unrestricted access to all areas around the pitch, and will not be allowed access onto the field of play. Moreover, they will not be allowed access into the central area on the pitch where the team benches are located, except before the match when team photos are taken.

The photographer positions during the match will be located behind the Advertising Boards behind both goals and along the touchline opposite the team benches. Space for TV crews must be secured in this area as well.

Should photographers wish to set up a remote camera directly behind the goal, they must make appropriate arrangements in advance with the AFC Match Commissioner, Local General Coordinator, LS and the referee, to determine the location in which the remote camera may be set up.

8. Flash Interviews

Flash interview positions are to be set up in an appropriate location for post-match TV interviews of the head coaches and players. The flash interview positions are to be located between the pitch and the team dressing rooms, as close to the team dressing rooms as possible.

9. Television and Radio Commentary Positions

TV and radio commentary positions may be requested by LS and the Host Broadcasters/ Rights Holders in an area adjacent to the Media Tribune. They should have an unobstructed view of the entire pitch, be located under a roofed area near the centre of the stands and be located on the same side as the main camera. Each commentary position should have 3 seats, with ample power capacity and supply, telephone line, internet access, TV monitor etc.

10. Television Studio

Television studios may be set up within the stadium premises for television broadcasting. Upon request from LS or the Host Broadcaster, they may be set up near the Team dressing rooms in order to interview the head coach and players after the match, separately from the flash interview, or in an upper area of the stands with a view of the pitch for a presentation studio in which guest speakers and commentators may appear before and after the match and at half time.

11. OB Van Area

The Hosting Club are to provide a large parking space to be used as the OB (Outside Broadcast) van area by the Host Broadcaster. Generally, the Host Broadcaster will park OB vans, tender trucks, generators, satellite uplink vehicles, graphic vans, and other vehicles in this area. This area should be clean, have a hard enough surface to park large vehicles and be close to the main camera position (in the stadium). It should be security-controlled and fenced off so that spectators will not be allowed access, and have lighting of 100lx in order to allow the media in the area to work at night if necessary.

ENG GUIDELINES

- Lagardere Sports (LS) is the sole owner of all television rights relating to AFC Champions League. All television crews must be accredited before being allowed entry to any AFC Champions League matches.
- Please follow the instructions of the event organizer and AFC/LS officials present at the stadium.
- Only one camera per organisation will be allowed into the stadium. News coverage of a particular day's events may be no longer than two minutes. Sports Anthology series and magazine shows must clear rights directly with LS/Lagardere Sports Television (LSTV).
- ENG crews are limited to a maximum of one cameraman, one producer and one assistant. Any other member of the ENG crew (presenters, Etc.), should watch the match from the press box when they are not actively involved in the shoot.
- Accredited crews must pick up Media Identity Bibs at the media centre or stadium entrance well in advance. Crews will be asked to exchange their journalist ID or national ID cards for bibs. Cards will be returned to crews when they return the bib.
- Media Identity Bibs will allow ENG crews pitch-side access, but they must be worn. Failure to do so will result in expulsion from the stadium.
- Team lists will be made available 45 minutes before kick-off in the media centre.
- Prior to kick-off ENG crews may shoot the line-ups of the teams from the near touchline, but please stay off the field of play. Crews will not be allowed to shoot from behind the far touchline's advertising boards.
- Once the game starts you must shoot from behind either goal. Crews are required to stand behind advertising boards and will not be allowed to change sides until halftime, the end of regulation time, or the start of extra time. When changing ends, crews should pass along the far side of the pitch, behind the advertising boards. Under no circumstances will crews be allowed to shoot from either touchline during the match.
- Only television cameras tied into the live feed will be allowed to shoot the match from the spectator stands at a specifically assigned location. No other television cameras are allowed in the spectator stands.
- ENG crews may not go on to the field of play to interview players after the match. Only the host broadcaster and broadcasters using the flash interview facility (by arrangement with LSTV Broadcasting Service Manager) may interview a selected player(s) at a flash interview zone after the end of the match. ENG crews may interview players in the designated Mixed Zone only.
- The coaches of the two teams will attend the post-match press conference that will commence immediately after the match. Crews are invited to attend. At the post-match press conference all cameras must stand near the back of the room and allow journalists to sit in the front.

Anyone who does not follow these rules will be escorted out from the stadium and may have their accreditation taken away for further matches of this competition in the future. If you are not sure of where you should not shoot, please contact Local Media Officer or LSTV Broadcasting Services Manager on site.

PHOTOGRAPHERS

- After the match, you may return to the touchline to cover awards presentation if necessary, but you must not enter the field of play.
- The coaches of the two teams will attend a press conference that will commence immediately after the match. Official Photographers are invited to attend only unless the Local Media Officer allows accredited photographers into the press conference room. At the press conference room, photographers must stand near the back of the room not to interrupt TV camera angles and journalists' view to head table.
- The Official Photographer may work at a position designated by Local Media Officer, but should not move during the game.

Anyone who does not follow these rules will be escorted out from the stadium and may have their accreditation taken away for further matches at AFC Champions League matches. If you are not sure of where you should shoot please contact Local Media Officer on site.
