MESSAGE FROM AFC PRESIDENT SHAIKH SALMAN BIN EBRAHIM AL KHALIFA

Dear friends,

The AFC U-22 Championship in Muscat, Oman 2013 gave us great excitement from the beginning to the very last match, but more importantly, it serves to provide us with evidence of the positive prospects we have in the game.

The establishment of the AFC U22 Championship is two-fold: to provide the platform for players who have finished their youth training to transition to the senior level; and to serve as the qualifying competition to determine Asia's representatives in the Olympics.

Congratulations to the winners Iraq, who won the competition due to their discipline, teamwork and strong tactical understanding. The historical win though was not without a determined challenge from fellow finalists Saudi Arabia. In the end, Iraq's perfect record in the competition was telling, as they continued their rich vein of form of the past few years.

All in all, the inaugural competition was very well contested and traditional powerhouses like Japan, Korea Republic and Iran were given strong challenges by other up-and-coming nations.

The U-22 is a vital age group as it is the last stage before these players carry Asia's hope at the international stage amongst the senior members.

Judging from the competition, signs are encouraging for Asia, as the performances support the notion that Asian football is getting increasingly competitive and unpredictable. I cannot stress enough the importance of having our Member Associations strongly challenging one another as it will certainly strengthen every member in the long run.

Now, I urge all teams to start preparations for the next edition of the competition which will have even higher stakes with the 2016 Olympics berths on offer. Therefore, please make use of this Technical Report as a means to analyse all elements of the game that can be further improved or rectified. You will definitely find this report useful.

Lastly, my appreciation as well to the Oman Football Association, that has set the benchmark for future U-22 Championships. The success of this tournament is also down to the efforts of OFA and the Local Organising Committee. Thank you.

Sincerely,

A handwritten signature in black ink, reading "Salman", with a long horizontal flourish extending to the right.

Salman bin Ebrahim Al Khalifa
AFC President
FIFA Executive Committee Member

GENERAL 1

Host City Information

Tournament Overview

Muscat, Oman

Muscat is the capital and the largest city of Oman with an estimated population of 1.2 million. Its area spans approximately 1,500 square kilometres and the skyline is characterised by low and generally white buildings, including hotels and residential and government properties. The architectural design is reminiscent of regional historic styles. The main streets that link the various districts are lined with trees, and the traffic roundabouts and public parks are adorned with grass, shrubs and flowers.

Trade drives the economy of Muscat, and traditional exports include dates, mother of pearl and fish. Petroleum Development Oman is at the heart of the nation's economy with a production of about 720,000 barrels per day. Other major companies in Muscat deal in electronics, watches

and motor vehicles. The Mina Sultan Qaboos is now the premier trading port in the Gulf region with about 44 million tons of traded cargo annually.

Muscat has the Seeb International Airport that makes it the international gateway of Oman. It has paved roads in most areas and highways that connect Oman's major cities and towns. Transport around Muscat includes the popular but inexpensive "Baiza" buses, the bigger red-green public buses and the orange-white taxis.

In terms of sporting events, Muscat is no stranger to hosting major footballing events, as it was the venue for the 1984, 1996 and 2009 editions of the Gulf Cup of Nations.

GENERAL • TOURNAMENT OVERVIEW

The AFC U-22 Championship is the latest tournament introduced by the Asian Football Confederation for the Under-22 men's national teams which, in effect, supplements the AFC U-16 and AFC U-19 Championships to complete the structured development path for the talented and young Asian football players.

Deemed as the second biggest national team competition after the AFC Asian Cup, the AFC U-22 Championship will be held once every two years. Every alternate edition of the Championship will serve as the qualifying tournament for the Olympics starting with the 2016 Brazil Olympics.

A total of 41 countries took part in the inaugural AFC U-22 Championship 2013 qualifiers during the period June 23

to July 15, 2012 and featured 23 teams four for the West Zone and 18 teams in three groups for the East Zone. The top two teams and the best third-placed team of the one-round league group qualifiers advanced to the finals to join Oman, the eventual hosts of the championship.

Originally scheduled to be held in 2013, the AFC U22 Championship Oman 2013, took place in Muscat, Oman from January 11– 26, 2014 featuring 16 teams in four groups with the top two teams in each group advancing to the quarter finals.

Jordan and Korea Republic of Group A faced the United Arab Emirates and Syria of Group B, respectively, in the quarter-finals with Jordan and Korea Republic emerging

victorious. Saudi Arabia and Iraq of Group D upstaged Japan and Australia of Group C, respectively, in the other quarter-final matches.

In the semi-finals, Iraq beat Korea Republic to arrange a final showdown with Saudi Arabia who beat Jordan.

Jordan showed nerves of steel to defeat Korea Republic in a penalty shootout in the match for third place following a goalless draw.

Iraq's solitary goal scored in the first half secured them the victory against Saudi Arabia in the exciting final match to be crowned champions of the inaugural AFC U-22 Championship Oman 2013.

TOURNAMENT ANALYSIS 2

- Technical Analysis
- Story of the Tournament
- Medical Report
- Refereeing Report

TOURNAMENT ANALYSIS • TECHNICAL ANALYSIS

SYSTEMS OF PLAY:

Ten teams, including Saudi Arabia and Jordan, preferred the 1-4-2-3-1 team formation at the AFC U-22 Championship. Five teams, including Iraq and Korea Republic, used the 1-4-4-2 set-up. Only Yemen relied on the 1-3-5-2 formation.

As the game progressed, teams moved differently largely because of the quality of the players selected. Although the teams had their basic formation, teams showed flexibility in their formation. Changes in the formation were influenced by the game situation and by the style of play of the opponents. These changes were made on a game-to-game basis.

DEFENDING:

The teams used a zonal flat back four in which each player covers each other and moves around depending on the position of the ball or utilising defenders tasked to mark within the zone. Other teams designated two players marking the attackers with one in a covering and supporting position.

Playing offside was not used as a tactical move as teams had a strong player manning the centre. The best teams in the competition made effective use of the full-backs who played up and down the flanks. There were very few instances of central defenders making advances which meant that the centre was not exposed and, when they did advance, immediate cover was at hand. The central midfielders also played an important role in keeping a compact defensive block.

Immediate pressing in the attacking third after losing ball possession allowed the teams to gain time to organise defensively with the midfielders and full-backs quickly dropping back.

MIDFIELD:

Teams did as much as possible to have a compact midfield to ensure ball possession, to apply immediate pressure on opponents to regain possession, and fill the strategically important wide positions. A striker also dropped back to boost numbers in the middle.

Midfield organisation varied from one team to the next, however, often for tactical reasons but also because of each team's playing style (attacking with careful build-up play or using a counter-attacking style). Building up of play in the midfield was done through a varied combination passes.

The teams that used the 1-4-2-3-1 formation had two defensive midfielders behind a line of three which is composed of the flank players and the playmaker. The playmaker would be level with the flank players when defending but would be supporting the striker when in attack.

ATTACKING:

The teams with a single centre forward had a playmaker or a second deeper-lying striker to support the centre forward to receive layoffs and to play combination passes.

The teams with two forwards had one forward positioned slightly behind who moved around the other. One forward was designated to have a defensive role by pressing the opponents' defenders.

Two modes of counterattacking displayed were the immediate long ball to the single forward or the front forward in the case of having two forwards and the quick combination play attacking pattern.

When the build up from the back was met by immediate pressurising defence, some teams opted for the long ball to the forward or forwards while some other teams had the option to use quick combination play with the midfielders to switch plays or go forward through the middle or the flanks.

GOALKEEPING:

The goalkeepers in this tournament were adept in supporting their team to receive back passes and in distribution to switch play or initiate counterattack. They also took up advanced position when their team was on the attack to cover the space behind the defenders to quickly deal with the ball played by the opponents behind the defenders. Most of the goalkeepers demonstrated skill and confidence in shot-stopping, dealing with crosses and were decisive in one-on-ones.

COACHING INFLUENCE:

- Tactical changes in the matches such as change in team formation and player substitution.
- Long term with the team to be able to know and understand the performance abilities of players.
- Changing the players from game to game with aim of giving other players to gain experience from tournament.
- Having the ideal coaching staff to attain the aims in the competition.

TALKING POINTS:

- Preparation for the tournament was not enough.
- Some teams did not have the best players as clubs did not release them.
- Most of the teams are looking forward to the Olympics in 2016.

TOURNAMENT ANALYSIS • STORY OF THE TOURNAMENT

GROUP STAGE

Group A

Hosts Oman started strongly with a 3-0 victory over Myanmar while Korea Republic and Jordan drew 1-1, in the first match day which meant that the host team's chances of reaching the knockout phase remained on target. However, in the second round of group matches, Korea Republic comfortably beat Myanmar while Oman lost to Jordan. Facing a must win situation in their last group match against Korea Republic, Oman came out aggressively and confidently in the first half but their hopes of advancing to the knockout stage were dashed when Korea Republic scored two goals in the second half. Jordan comfortably beat Myanmar to secure top spot in the group and advance to the knockout stage together with group runners-up Korea Republic.

Group B

The opening matches saw DPR Korea relying on their quick passing and pressing defence to douse the spirited effort of Yemen to secure its first win in the group, while Syria only managed a draw with UAE. In the second group matches, Syria and DPR Korea played toe-to-toe but with Syria having better possession. Syria's patience and persistence were rewarded in the second half when they scored a goal from a breakthrough on the left wing. DPR Korea tried to find the equaliser but Syria successfully defended their turf to win the match. In the other group match, UAE's solitary goal in the first half gave them a narrow victory against Yemen. In the last group matches, Syria dominated Yemen from the beginning to the end. Syria's goal in the first half was enough to gain maximum points to advance to the quarter-finals. Needing a win to advance to the next stage, DPR Korea came out strongly against UAE who only needed a draw to advance to the next stage. DPR Korea dominated possession but their attacks were met with the UAE's solid defending coupled with counterattacking play. With the match resulting to a goalless draw, UAE placed second to join Syria in the quarter-finals.

Group C

Australia's double substitution and tactical change in style of play in the second half resulted in the goal which gave them the victory against Kuwait in the first match of the group. In the other match, Japan and IR Iran drew 3-3 in a thrilling encounter. On the second match day of the group, Australia assured themselves of a place in the next stage after snatching a 1-0 victory against IR Iran, while Japan and Kuwait played to a scoreless draw. In the last group matches, Australia, who played with different line-ups in each game, lost to Japan while IR Iran beat Kuwait. With the victory, Japan finished second in the group behind Australia to qualify to the knockout stage.

Group D

Iraq dominated their opponents with quick passing and off the ball movement, and capitalised on their effective use of the flanks to win all its group matches to top the group. Saudi Arabia, having recovered from their loss to Iraq, beat China and Uzbekistan to place second in the group and advance to the quarter-finals. After winning against China, Uzbekistan with their skillful players, fast attacking play and tactical discipline narrowly lost to Iraq and Saudi Arabia.

QUARTER-FINALS

Jordan v United Arab Emirates, 1 – 0 (0 – 0)

Jordan came out aggressively from the kick-off and were almost rewarded in the fifth minute when the excellent combination play of Mahmoud Za'tara (9) and Belal Qwaider (17) set up Monther Abu Amara (13) for a shot at goal from just outside the penalty box which went narrowly wide. Jordan, full of confidence and eager to win, dominated UAE with their quick passing and off the ball movement that created attacking opportunities which kept UAE goalkeeper Ahmad Shambih (1) busy. UAE's first chance came after 20 minutes, Khaled Sarwashi (3) taking a shot from distance which Jordan's goalkeeper Mustafa Abu Mosameh (1) calmly caught. Immediately thereafter, Jordan continued with their attack with Za'tara (9) capitalising on a UAE defensive error to go one-on-one with Ahmad Shambih (1) who stood big to force the

shot wide. Another chance came for Jordan to take the lead when Za'tara (9) laid off a pass to Ahmad Saleh (10) whose low drive shot was palmed away for a corner by Shambih (1).

UAE came out positively in the second half but it was Jordan that created the first chance after the restart, but Za'tara's (9) shot only found the side netting. With UAE goalkeeper Shambih (1) in fine form, Jordan found it difficult to score, however, with just seven minutes to go, central defender Ibrahim Daldoom (7) advanced and combined with Saleh (10) whose return pass Daldoom (7) calmly slotted past Shambih (1). UAE tried to come back but Jordan held on to win the match.

Syria v Korea Republic, 1 – 2 (0 – 2)

Korea Republic surprised Syria immediately after kick-off with their fast attacking play and high pressurising defence which resulted in a goal in the third minute when Hwang Ui Jo's (18) close range shot from a pass from Yun Il Lok (11) was only parried by Syrian goalkeeper Ibrahim Alma (1) and Baek Sung dong (10) was on hand to follow up and score. Korea Republic immediately continued with their pressing game after the restart and got their second goal in the eighth minute when Yun Il Lok (11) tapped the far post corner kick from Kim Younguk (14) back to the centre of the goal which Hwang Ui Li (11) converted past Syria's goalkeeper. Syria almost pulled a goal back on 18 minutes when Nassouh Nakkdahli's (9) lofted shot over the stranded Korean goalkeeper No Dong geon (21) hit the crossbar. This did not affect the Korean's resolve as they created two more chances to extend the lead just before half time.

Syria came out stronger as they had two clear chances of scoring with No Donggeon (21) denying Hamid Mido's (18) shot at the near post and the curling shot of Nakkdahli

streaked just wide of the far post. Both teams had opportunities to score as the match neared its end. Syria managed to sneak a goal in added time following a lapse in concentration by Korea's defence.

QUARTER-FINALS

Australia v Saudi Arabia, 1 – 2 (0 – 0)

Saudi Arabia were in attack mode from the kick-off, but Australia countered with a disciplined defensive organisation combined with a quick transition from defence to offence. The high tempo first half displayed excellent attacking patterns from both teams.

Australia's Andrew Hoole (21) had a well-struck shot in the 11th minute guided over the cross bar by Saudi Arabia goalkeeper Mohammed Alowais (21). Thereafter, Saudi Arabia had a chance when Abdullah Khalid Alammari (8) shot narrowly wide of the goal at the other end. Saudi Arabia

had another clear chance to take the lead when defender Mohammed Al Fatil (3) met the free kick of Abdulfattah Asiri with a solid flicked header which Australia goalkeeper Aaron Lennox (1) calmly caught above his head.

Saudi Arabia upped their attacking tempo at the start of the second half which prevented Australia from playing their style of putting immediate pressure on the opponents. On the 58th minute, a well-worked combination play resulted in Abdulfattah Asiri (12) scoring past an exposed Aaron Lennox (1). Saudi Arabia continued with their aggressive attacking and pressurising defence after the ensuing kick-off. Their efforts were rewarded four minutes later as Abdullah Khalid Alammari (8) dispossessed defender Scott Galloway in his own penalty area and scored convincingly past Lennox (1) giving Saudi Arabia a two-goal cushion.

Australia's predicament worsened as Andrew Hoole (21) was given a direct red card for a heavy challenge on Abdulfattah Asiri (12) with 17 minutes remaining. Although playing with 10 men, Australia still pushed forward putting Saudi Arabia on the back foot and were given a lifeline when substitute Stefan Mauk (7) was fouled in the penalty area. Petros Skapetis (23) converted the penalty as Alowais (21) went the other way. Australia tried in vain to find the equaliser even with the eight minutes of added time due to the injury suffered by goalkeeper Alowais (21).

either saved by the goalkeepers or off target. But with six minutes remaining, the fleet footed and tireless Kalaf (14) broke through the Japanese defence and slipped the ball past Masatoshi Kushibiki (1) to score the eventual winning goal.

Iraq had the first chance at goal but striker Marwan Al Ajeeli's (18) 20-yard shot hit the bottom of the right post. Iraq then had established dominance in the game and had another scoring chance but second striker Mohanad Karrar's (16) header missed the goal. Five minutes before the interval, Amjed Kalaf (14) received a pass in the penalty area from Karrar but his angled shot hit the side netting but it was Japan who had the last chance at goal when striker Musashi Suzuki (9) received an incisive pass from Shinya Yajima (13) but his shot went over the crossbar.

The second half saw Iraq continuing their attacking play and domination of possession which resulted in Kalaf (14) finding space to shoot at goal but his effort went wide. Japan then had a chance, but midfielder Shoya Nakajima's (10) effort from distance went just wide of the top corner. Both teams had further opportunities, but the shots were

SEMI-FINALS

Jordan v Saudi Arabia, 1 – 3, (1-1)

Both teams displayed an eagerness to win, with their aggressive attacking play apparent from the kick-off. The first chance came for Saudi Arabia after 12 minutes when a curling free-kick from Abdulfattah Asiri (12) was headed just wide of the back post by Abdullah Madu (23). Shortly after, Jordan had a chance at the other end through a defense splitting pass from Mahmoud Za'tara (9) to Hamza Aldaradreh (20) whose first time shot was palmed around the post by goalkeeper Ahmad Alharbi (22).

With the game at a high tempo, both sides exchanged chances at goal. Then on the 29th minute, a combination play between Abdullah Khalid Alammari (8) and Mohammed Majrashi (20), who came on as a substitute on 11 minutes, saw Alammari (8) break through the Jordan defence and into the box before he unleashed a powerful shot past Mustafa Mosameh(1) to give Saudi Arabia the lead. But just four minutes later, combination play between Jordan captain Hamza Aldaradreh (20) and Ahmad Saleh (10)

saw Aldaradreh (20) broke through the Saudi Arabia back line and finish low past goalkeeper Ahmad Alharbi (22) to level the score.

With the game level at 1-1, the thrill and excitement of the first half continued in the second period with both teams wanting to take the early lead. Jordan had the first chance when they were awarded a penalty kick on the 53rd minute, but goalkeeper Ahmad Alharbi (22), figuring in his first match of the tournament following an injury to their regular goalkeeper Mohammed Alowais during the quarter-final match against Australia, saved the

kick taken by Hamza Aldaradreh (20).

The penalty save boosted the morale of the Saudi Arabia players who became more confident in their attacking play. With their fluidity in attack, Saudi Arabia broke the deadlock on the 65th minute when Abdullah Khalid Alammari(8) chipped a pass into the penalty area that landed just in the path of Mohammed Majrashi (20) whose volley looped over Mustafa Mosameh (1) and into the goal.

Jordan then had two chances to equalise in a span of two minutes but defender Tareq Khattab (2) bungled both chances as his shots blazed over the cross bar. Saudi Arabia cemented the victory when Abdulfattah Asiri (12) coolly converted from the penalty spot following a foul by Tareq Khattab (2) on Mohammed Majrashi (20) inside the penalty area in stoppage time.

SEMI-FINALS

Korea Republic v Iraq, 0 – 1 (0 – 0)

Korea Republic, through their 1-4-2-3-1 formation, soon reasserted themselves and the attacking movement of midfield trio of Yun Il Lok (11), Hwang Ui-jo (18) and Kim Younguk (14) behind their lone striker Kim Hyun (22) created irregular incursions into the Iraq defensive third. Iraq's strong backline ably neutralised these attacks and looked for the reliable Amjed Khalaf Almuntafik (14) whose pace posed a constant threat to the Korean defense. With the match becoming more even, both teams repulsed each other's attack to end the half at 0-0.

In the second half, Korea Republic pushed Hwang Ui-jo (18) and Kim Hyun (22) higher up the pitch to gain more attacking depth but Iraq were poised to resist the attack. As the game progressed, both teams tried but failed to break through each other's defence. But with barely 15 minutes left in the game, Amjed Khalaf Almuntafik (14) broke down the right and drilled in a cross which was by a Korean defender for an

Iraq, who had won all their games in the tournament, started strongly and had the first chance on goal in the third minute when full back Ali Bahjat Fadhil (3) struck from 25 yards out following a free-kick which whizzed just over the crossbar of the Korean Republic's goal. This was then followed by a flank attack from the right by Amjed Khalaf Almuntafik (14) whose ensuing cross to the near post was caught by the alert Korean Republic goalkeeper No Donggeon (1).

Iraqi corner. The ensuing set piece resulted in Mahdi Kamil Shiltagh (9) receiving the ball just outside the penalty box and his half-volleyed shot reached team-mate Mustafa Jari Al-Shabbani inside the box who then turned and shot past the diving No Donggeon (1) into the bottom right-hand corner. Iraq had two more chances to increase their lead in the last six minutes of the game and in stoppage time but were denied by No Donggeon (1).

3rd and 4th Placing

Jordan v Korea Republic, 0 – 0, 3 – 2 PSO

Jordan and Korea Republic, who drew, 1-1 in their group match, played to a goalless draw in the match for third and fourth place with Jordan emerging as 3-2 winners in the ensuing penalty shootout.

Korea Republic had Kim Kyung Jung (9) and Nam SeungWoo (16) back in the starting line-up following the completion of their one-match suspensions. Jordan, on the other hand, opted for Nouredin Ateyah (12) in goal in place of first-choice goalkeeper Mustafa Abu Mosameh (1).

Korea Republic dominated ball possession but were unsuccessful in the final third and it was their goalkeeper who was the busier as Jordan had the greater chances of scoring in the match.

Barely three minutes into the game, a free-kick taken by Jordan captain Hamza Aldaradreh (20) just breezed over the crossbar. This was followed eight minutes later by Mohammad AlDaoud (6) whose volley from outside the penalty area flew just past the left post of No Donggeon (1). The best chance came six minutes before the break when Oday Zahran (11) made an incisive pass through the Korean backline to Mahmoud Za'tara (9) who was free in the penalty area but Za'tara (9) bungled the chance as his hurried shot went wide.

Jordan continued to create scoring opportunities at the start of the second half and with 11 minutes gone by, Monther AbuAmara (13) whipped a cross from the right wing which Mahmoud Za'tara (9) directed towards the bottom right-hand corner of the goal which was amazingly saved by No Donggeon (1) with the tips of his fingers.

Unfortunately for Jordan, the talismanic Mahmoud Za'tara (9) was stretchered off the pitch after colliding with the post as he tried to slide in the attempt of Hamza Aldaradreh (20). Thereafter, Korea Republic began to control the game and almost took the lead in stoppage time when, after a number of corner kicks, Song Ju Hun (9) received the ball in the penalty area but his shot at goal was deflected. It remained goalless at the end of the second half.

The tide had indeed turned in the favour of the Koreans in the ensuing extra-time and they nearly scored, goalkeeper Nouredin Ateyah (12) making a spectacular reaction save with his foot to block the shot of Hwang Ui Jo (18). With the obvious onset of fatigue, the pace of the game slowed and chances at goal were few and far between.

In the penalty shootout, Noereddin Ateyah (18) capped his brilliant performance by saving the first penalty kick of Korea Republic taken by Baek Sungdong (10) that helped them win, 3-2, to place third in the tournament.

FINAL

Saudi Arabia v Iraq, 0 – 1

Both teams started the match cautiously with both teams marking very tightly especially in the middle third and employing tough defending which resulted in fouls and body clashes with no clear attacking chances for both sides.

Then on the 15th minute mark, a long throw from Dhurgham Dawood (15) into the Saudi Arabia penalty area was flicked on by Mohanad Abdurraheem Karar (16) to be met with a spectacular scissors kick from Marwan Hussein Al Ajeeli (18) directed to the bottom right corner the goal with the alert Ahmad Alharbi (22) diving to his left to push the ball wide.

Reeling from having five players on the injured list, Saudi Arabia suffered yet another blow after 21 minutes as their captain Motaz Hawsawi (18) was stretchered off the field. Iraq took advantage of the defensive repositioning when Marwan Hussein Al-Ajeeli (18) found enough space to shoot from 20 yards that was saved by Ahmad Alharbi (22). Not to be outdone, Saudi Arabia quickly retaliated through Saleh Al Shehri (19) who unleashed a missile shot on goal which Iraq goalkeeper Jalal Hassan Hachim (12) parried safely. Another chance came to Saudi Arabia in the 30th minute when defender Ali Bahjat Fadhil (3) was penalised for a handball in the penalty area. The resulting penalty kick from Abdulfattah Asiri (12) hit the goalkeeper's right hand post however, and ricocheted away from the danger area.

Three minutes later, Mohanad Abdurraheem Karar (16) broke through down the left and, after receiving a glancing header from Marwan Hussein Al Ajeeli (18), calmly flicked the ball past Al Harbi to give Iraq the lead.

In the second-half, the high-paced tempo of the game continued with both sides exchanging chances at goal that required spectacular and instinctive saves from both the in-form goalkeepers. Iraq's determination was tested to the limits when their defender Waleed Salim Al-Lami was sent off in injury time for a second bookable offence. Saudi Arabia tried to capitalise but Iraq held on to win the match to become the champion of the inaugural AFC U-22 Championship.

TOURNAMENT ANALYSIS • MEDICAL REPORT

MEDICAL CARE

The Oman Football Association through the leadership of Dr. Mahmoud Jufaili, LOC Chief Medical Officer with the support of Mr. Harry Brooke, Deputy LOC Medical Officer and its team provided an excellent medical support at the AFC delegation and teams' hotels, training sessions, referees' fitness test and the emergency medical services at the venues of the competition which were set-up according to the AFC tournament regulations.

For this tournament, the Medical Support and Services were provided by the Ministry of Health, Ministry of Sport, Badr Al

Samaa Hospital and the Oman FA. The LOC arranged priority services for all the delegation at the appointed referral hospital such as the Royal Hospital, Khoula Hospital and Sultan Qaboos University Hospital.

There were no major medical events during the tournament. The team doctors reported minor medical cases such as headache, upper respiratory infections, cough and cold due to environmental factors which were satisfactorily resolved with medications.

PRE – TOURNAMENT COORDINATION MEETING FOR TEAM DOCTORS AND TEAM PHYSIOTHERAPIST

A routine pre-tournament meeting was conducted prior to the commencement of the tournament for the team doctors and team physiotherapists. The objective was to provide a platform to update team doctors and physiotherapists on developments in regulations, medical services, research and doping matters.

The appointed AFC medical officers, Dr. Rasheed Al Tounisi from Saudi Arabia and Dr. Ajaya Rana from Nepal delivered the medical matters, Anti-doping control regulations changes, doping control procedures for the tournament, and Therapeutic Use Exemption (TUE) matters. Mr. Harry Brook from the Local Organizing Committee presented the medical services and facilities prepared for the tournament.

Table of Participants

Country	Team Doctor	Team Physiotherapist
Australia	1	1
China PR	2	-
DPR Korea	1	-
IR Iran	1	1
Iraq	1	1
Japan	1	-
Jordan	1	1
Korea	1	1

Country	Team Doctor	Team Physiotherapist
Kuwait	-	1
Myanmar	1	1
Oman	-	1
Saudi Arabia	1	1
Syria	-	1
UAE	1	1
Uzbekistan	1	-
Yemen	-	1

DOPING CONTROL

In accordance with the AFC Anti-Doping Regulations, two players per team per match were drawn by lots and summoned to testing at randomly selected matches. The cooperation of teams, players and officials were excellent. All 40 urine samples analyzed in the WADA accredited laboratory in New Delhi proved negative, making the AFC U-22 Championship a successful and doping-free event.

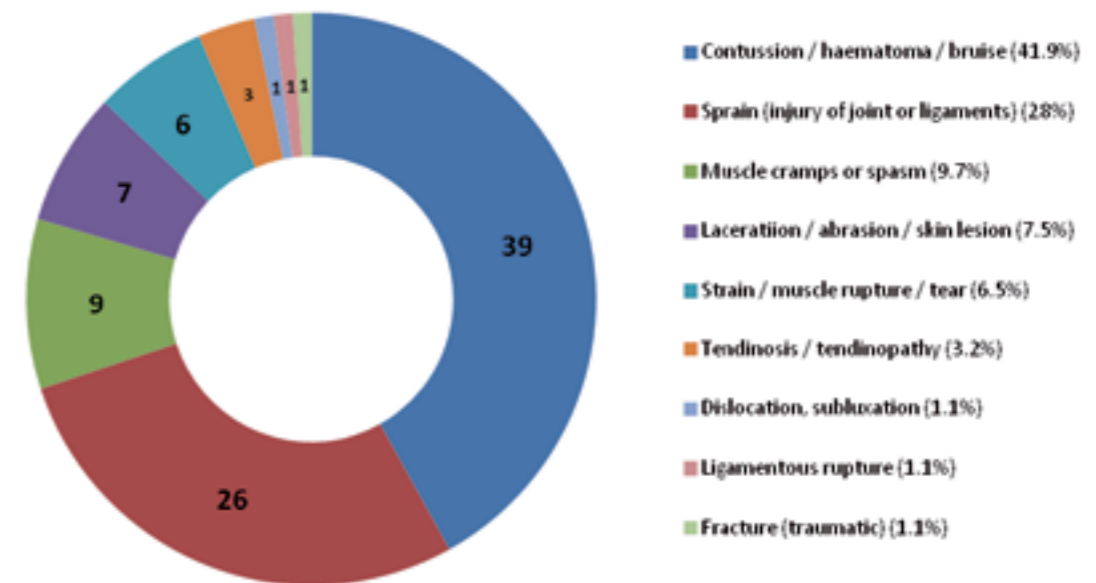

INJURIES SUSTAINED BY THE U-22 PLAYERS

A total of 93 injuries were reported in the 32 matches with a ratio of 2.1 (93/32) and 24 injuries during training days. It was reported that there were 182 days of absence of players due to sustained injuries. Trauma of spine/upper back requires 65 days (26 weeks) of absence which was considered as severe injury. During training sessions, one player sustained a fracture of the foot/toe which resulted in 21 days of rest. Majority of injuries were in the lower extremities such as lower leg (19), ankle (13) and lumbar spine/back (11). In the upper extremities, it was reported that face have the highest contacts (5), elbow (4) and clavicles (3). The highest type of injuries sustained were hematoma with 41.9%, sprain 28% and muscle cramps or spasm (9.7%).

Graph 1: Total number of injuries and location of injuries

Graph 2: Types of injuries incurred

Graph 3: Injuries in relation with playing time

Notably, the highest number of injuries occurred during the first half between 16th to 30th minute with 18 injuries while more injuries occurred towards the end of the second half which could be attributed to fatigue.

Most number of injuries were caused by contact with another player which is shown on the table below.

Over use (gradual on set)	3
Over use (sudden on set)	2
Non-contact trauma	13
Recurrence from previous injury	2
Contact with another player	70
Foul play (over or hidden)	3

REFEREES INSTRUCTORS & MATCH OFFICIALS

There were four referee technical instructors and one referee fitness instructor appointed for this competition. The instructors ensured that adequate training was carried out and also observed and advised match officials on the areas where they could improve after each match and commended them on their strengths.

A total of 12 referees and 16 assistant referees were appointed for this competition. AFC also appointed one referee and two assistant referees as stand-by, where-by, if any of the match officials could not pass the fitness test or fell ill, they could be replaced accordingly.

NAME OF TECHNICAL INSTRUCTORS/ASSESSORS:

NO	NAME	MA
1	Ali Al Traifi	FIFA/KSA

FITNESS TEST & REFEREES/ASSISTANT REFEREES PHYSICAL CONDITION

There was no fitness test conducted especially for the appointed match officials as the fitness test for AFC Referees was conducted during the AFC Referee Seminar 2014 in November and December 2014, prior to the competition.

All the selected match officials passed the fitness test except for Fahad Alumri (KSA) who was ill (chicken pox) during the AFC Referee Seminar in Dubai.

The group average comparison (2014 AFC Referees vs U-22 Referees, 2014 AFC Asst Referees vs U-22 Assistant Referees shows that in general, the match officials appointed for the AFC U-22 Championship performed slightly better than the overall average. This can be explained simply by the fact that the U-22 match officials were selected from a relatively young age group (24 out of 28 match officials were under the age of 35).

The average of results for the test as follows:

* Pre-tournament fitness test results (group average):

Category	SPR			INT
	Best	Average	Consistency	Laps
AFC REF	5.08"	5.73"	1.23	11.5
U-22 REF	5.36"	5.64"	1.15	11.8
AFC ARF	5.12"	5.65"	1.21	11.0
U-22 ARF	5.12"	5.57"	1.09	12.0

PREPARATORY COURSE – FITNESS TRAINING SESSION

PREPARATORY COURSE - CLASSROOM SESSION

The fitness training was conducted on January 9, 2014 from 0800 to 0900 hrs at Sultan Qaboos Stadium. This session was also conducted to let the match officials have a feel of the pitch at the main stadium. The fitness instructors also informed them on the standard preparation of pre and post match and on how to use the polar heart rate monitor to all the match officials.

Preparatory Course - Classroom Session

All classroom sessions were conducted at the Senor Pico Room. The environment of the room was conducive to conduct these sessions and there was no disruption.

The 1st Preparatory Classroom session was conducted on 9 January 2014 from 1500 to 1700 hrs at the Senor Pico Meeting Room.

From then on, all Theoretical and Match Debriefing sessions were conducted at the same room.

Lessons covered during both sessions of the Preparatory Course:

- Interpretation on the Laws of the Game
- Off-sides
- Handballs
- Recognition of fouls
- Movement and positioning
- Teamwork

FIFA and AFC teaching materials were used to discuss and analyse the incidents and decisions that have to be made, for uniformity and consistency in a match.

- Administration Matters
- Meals and Laundry
- Transport (Procedures after Arrival and Departure)
- Referee's Jerseys (warming up and match)
- Checking of Players start-list and equipment
- Referee's Report (Filling up of report after match - Supplementary Report)
- Issuance on Communication Sets & Beep flags
- Non appointed MOs to watch 1st match during the group stage

During one of the sessions, Sheik Khalid Al Busaidi, AFC Exco member and Deputy Chairman of AFC Referees Committee welcome the match officials and offered words of encouragement to them.

Mr Yoshimi Ogawa, AFC Director of Referees also advised the match officials to do their best and focus on their responsibilities. He urged all the match officials to accept the challenges that the officials will faced during the course of the competition.

PREPARATORY COURSE – PRACTICAL SESSIONS

Preparatory Course Practical Session was conducted at Sultan Qaboos training field, near the main stadium.

There were 22 players assisted us during the first preparatory training on January 10, 2014 which covers:

- Referees positioning
- Recognition of fouls
- Signaling etc..

Since this is the first preparatory session, the training also focused mainly on the positioning of referees and especially the cooperation between the referee and asst referees on simulated incidents happened near the penalty area.

APPOINTMENTS/DAILY MATCH PREPARATION/ PHYSICAL CONDITIONING TRAINING

Appointments of match officials were based on the neutrality and the performances from previous matches. Match appointments were given to the match officials two days before the match while appointments were given to the competition one day before the match day.

The reason behind giving match appointments to the match officials two days before the match was to allow enough time for MD-1 preparation. Overall training plan and training session groupings were organized in order to prepare Polar Team 2 transmitters in advance for distribution to each training session and match.

At MD -1 preparations, 20 minutes of pre-match warming up routine was incorporated to allow each trio to rehearse the pre-match warm-up together, as the match trio change from one match to another due to non fixed or mixed trio under the supervision of the fitness instructor. The natural grass field at the hotel gave an added advantage for this preparation.

The post match recovery was conducted either at the hotel garden, the swimming pool or the gymnasium. Usually, the match officials will decide on the time and report to the fitness instructors accordingly. The fitness instructor presented the post match recovery details prior to the commencement of the Competition and information were later posted on the notice board for the match officials to execute.

Match officials who have assignments on the Match Days were excused from the physical training.

DAILY MATCH ANALYSIS/DEBRIEFIN

It was held daily at the Referees Room from 1100 hrs. The incidents of the previous matches were shown and incidents that need corrective action were highlighted for all to learn and improve.

- At the first session, discussion on what appropriate action that could be taken was shared and the decisions made by the match officials in the field were discussed and other areas to be developed further.

- The second session, respective assessors will advice the match officials on their strength and areas to improve with individual group of the match officials.

PRACTICAL SESSION DURING REST DAY

The Physical/Practical with 16 players was held during the first rest day on January 17, 2014 at Sultan Qaboos Training field. The instructors highlighted some incidents that had happened during the previous matches and advised the match officials on the correct actions to be taken during the match. Due to the tight schedule, there was no other practical training conducted with the assistance from players.

MATCH COORDINATION MEETINGS

To highlight on the matters on the Laws of the Game, Mr Ogawa, Director of Referees attended the Team Managers' meetings on January 10 and 11, 2014 for all four groups. The team managers were informed on the administrations before the match, shirt colours for teams, goalkeeper and the match officials and behavior in the Technical Area and also on the Laws of the Game.

SESSION WITH TECHNICAL STUDY GROUP (TSG)

To improve further on the refereeing performance, a briefing by the Technical Study Group member, Mr. Abdulla Hassan (UAE) was conducted at the Referees' Meeting Room. This session covers area of the quarter final teams' tactics/system, style of play, as who were their play-makers and the teams' channel of attacks and defend.

This was a very good session as it provided an avenue for referees to be more aware of teams' tactics and styles of play.

MATCH DVDS

All matches were screen 'live' on television and therefore, the match was also recorded by WSG. The recordings were given to the instructors a few minutes after the matches completed. Instructors were able to review the match recordings and to edit these matches for the daily match debriefing/analysis.

INSTRUCTORS TECHNICAL MEETING

This was held daily at 1030 hrs prior to the match debriefing/analysis to coordinate on the incidents that needs to be highlighted during the match analysis.

GENERAL REFEREES PERFORMANCE

Physical & Fitness

In term of the match officials' physical condition, they have completed the fitness test very convincingly. They are physically fit and performed very well on the field. They were able to sprint well, positioned themselves appropriately and they were highly agile.

Technical

At this competition, many younger match officials were appointed. This was to give these officials the necessary exposure needed at higher level of matches for their improvement and also to prepare for future top AFC top matches.

Being selected for very premier competition, the match officials were very attentive during the preparatory course (practical and theoretical) and also during the match debriefing/analysis sessions. They were always ready to learn and adapt it in the field of play.

* Understanding and Recognition of Fouls

Many of the referees were able understand and recognize the infringement in accordance with the Laws of the Game, although as in all matches, there are still areas for them to improve.

* Handball

There were many interpretations on 'hand ball' and for conformity, the instructors made a uniformed instructions for the match officials to apply in the match.

* Teamwork

It was observed that good teamwork prevails between the referees, assistant referees and the 4th officials. No major incorrect decisions amongst them.

* Positioning/Movement

Overall, the referees positioning and movement were according to what was required in a match. However, we have identified referees who were not able to move comfortably and it was rectified during at the debriefing session and at practical training.

FOULS AND MISCONDUCT

Players from the teams were relatively young and quick in action and thus, it was challenging for the match officials

All in all, 86 cautions and 1 sent-off (2nd caution) were recorded during the group stage, 10 cautions during and 1 sent off (violent conduct) during the QFs, 12 cautions during SFs, 2 cautions during 3rd & 4th place and lastly, 9 cautions and 1 sent-off (2nd caution) during the final.

Mistakes do happen, especially when the appointed referees were young, but with proper guidance and support, these referees should be ready and well prepared for the next generations of match officials.

CONCLUSION

The Refereeing team cooperated very well and work together as one team. The good support from the local organizers who provided very good facilities, field and players for the practical training, good transport services and other logistical needs have indeed contributed to the good performance of the referees.

Match Officials for the Final Match:

Teams: KSA vs IRQ
Date: 26 Jan 2014
Venue: Sultan Qaboos Stadium

From L-R: 5th Off - Nawaf Shaheen (BHR), AR2 Paul Centragolo (AUS), Ref Mohammed Abdulla (UAE), RA Subkhiddin Mohd Salleh (MAS), 4th Off Crishanta Dillan Perera (SRI) and AR2 Abdullah Alhammadi (UAE)

STATISTICS AND DATA • AWARDS

Abdullah Al Dabal Most Valuable Player Award

Amjed Khalaf - Iraq

“Of course, this is the best day in my life, it’s a night to remember: winning the championship and also to be named mvp of the tournament. The final was a very tough match, against a very strong team, and we are lucky to win the championship.”

Attacks with blistering pace

Mindful of his supporting role in attack and defense

Jeopardizes defenders with his combined dribbling skills and crossing ability on the right flank

Excellent and consistent work rate

Determined and strong-willed

TOP GOAL SCORER:
Kaveh Rezaei - I.R.Iran
(5 goals)

Kaveh Rezaei is no stranger to scoring goals as the top goal scorer of the 2008 AFC U16 Championship showed his scoring prowess in the competition by scoring two goals against Japan and a second-half hat trick against Kuwait.

“My aim was always just to help the team and I wasn’t specifically thinking about being the tournament’s top scorer. But obviously being named the top scorer does give me a good feeling,”

FAIR PLAY AWARD:

FINAL RANKING

6th
place

"It's important to have competitive games, we don't play enough international football at youth level, so for us this tournament is very important."

COACH

Aurelio Vidmar (AUS)
03 February 1967
Head coach since July 2010

Key Points

- Compact, disciplined and well-organized defense
- Immediate pressure after losing possession
- Rapid transition from defense to attack
- Assured combination play
- Effective use of full-backs
- Constructive build-up play
- Excellent off-the-ball movement in attack
- Tactical flexibility
- Good individual technique
- High fitness level
- Excellent team spirit

FINAL				
26-Feb-14	19:30:00	SAUDI ARABIA	0-1 (0-1)	IRAQ

Formation: 1:4:4:2 (1:4:4:1:1)

Key Points

- Players' excellent knowledge and understanding of their roles in team movements
- Combination of build-up play from the back through the middle and direct play to target man or the flanks
- Delivery of crosses
- Collective and disciplined defending either by pressing defence immediately after losing ball possession and retreating defence with zonal marking.
- Physically strong and highly motivated players
- Excellent goalkeeper

FINAL RANKING

1st
place

"Our hopes are high. We want to show a good image of Iraq football. Most of the players played in the FIFA U-20 World Cup so they know each other and can perform well together. We have a strategy with this generation and they will continue to play in the qualifiers for the Olympic Games and World Cup."

FINAL RANKING

2nd place

"We had good preparations at the WAFF Championship in Doha. The Saudi League has not stopped so we had difficulties calling some players, but the players with us are good and we are looking to win the title of the first edition of the AFC U-22 Championship, but I know all the other teams are capable of winning."

COACH

Khalid Abdulrahman Alkoroni (KSA)
31 December 1959
Head coach since 2012

Key Points

- Depth & width in attack
- Combination of build-up from the back and direct play.
- Combination plays in middle third
- Effective midfielders both in offense and defense
- Good individual technique even when under pressure
- Tactically disciplined

16-Jan-14	20:00:00	SAUDI ARABIA	1-0 (0-0)	UZBEKISTAN

Formation: 1:4:2:3:1

Key Points

- Patient build-up from the back
- Combination play in the middle third
- Use of flanks
- Good individual technique
- Tactical discipline
- Compactness

FINAL RANKING

12th
place

"We have half the team from the FIFA U-20 World Cup and I think it will be a good competition. We have young players and Oman will be a good experience for them."

COACH

Shukhrat Maksudov (UZB)

14 September 1970

Head coach since 2013
